

STUDENT TECHNOLOGY FEE REQUEST FORM

Procedure for Submission:

Form Updated: 8/20/13

1. Submitter must obtain all required information from the desired vendor(s). An official quote from the vendor must be attached.
2. Only one request per Request Form. This request must be reviewed, approved, and submitted by the requesting program's Department Chair.
3. The Dept. Chair may email this request to the Tech Fee Director. *Since some departments will have multiple requests, please rename request in the following format: Dept # (rank, 1 being the highest priority) and a brief title*

Dept. making request:	College Computing	Requesting Faculty:	Kyle Parsons	Date Submitted:	2/19/2016
IMPORTANT: Attach an official quote from the vendor.					

List one item OR group (for use as a "package") per page.

---	---------	--	----

Provide a brief description of the technology requested*: This system is a mobile lecture recording or capture system. It is able to record a faculty or instructors lectures and can be used in nearly any room without spending a lot of money to renovate multiple rooms in HH.

Briefly describe how the technology will be used (function)*: Faculty will be able to reserve this equipment to record lectures and demonstrations. These recordings can then be uploaded to Blackboard classes for later viewing.

Provide a rationale that Tech Fee funds are appropriate for this request*: Faculty often need to record lectures for student either for students who missed classes or they want to post supplemental material which cannot be covered in class. This technology will allow students to review recorded class material at their leisure.

***Keep in mind that the committee members come from a variety of educational backgrounds and may not be familiar with department specific language. Please use concise, common terminology so that committee members reviewing this form will be able to fully understand the request.**

- If you are submitting a request for computers, printers, scanners or software, you must consult with College Computing and the technology staff, to acquire a quote and to make sure that this equipment/software is supported by UT and compatible with existing technology.
