Provide a brief description of the technology requested*					
These are online subscriptions to software used by school psychologists in the assessment of children in K-12 education There are NO supporting materials to go with the software School psychologists conduct these assessments and it is essential that school psychology students have access to this online subscription and supporting materials These materials are revised every 10-15 years, therefore it will be used for 10-15 years in our program to train school psychology students					
Briefly describe how the technology will be used (function)*					
All students are required to learn how to use this software They must learn this measure in multipole coures and then use it as part of their practica (SPSY 7330, fall and spring) and internship (SPSY 7940, fall and spring) field experiences Students will be able to log in from any location and will check out the supporting materials from the supervising faculty member Students are required to use the software and supporting materials in each of the course listed					
Provide a rationale that Tech Fee funds are appropriate for this request*					
This online subscription and supporting materials are crucial for the training of school psychologists Students will be able to log in from home and use the software while familiarizing themselves with the testing material Without training using this technology students will be unprepared when entering the field					

*Keep in mind that the committee members come from a variety of educational backgrounds and may not be familiar with department specific language Please use concise, common terminology so that committee members reviewing this form will be able to fully understand the request

- If you are submitting a request for computers, printers, scanners or software, you must consult with College Computing and the technology staff, to acquire a quote and to make sure that this equipment/software is supported by UT and compatible with existing technology
