

STUDENT TECHNOLOGY FEE REQUEST FORM

Procedure for Submission

Form Updated 9/05/17

- 1 Submitter must obtain required information from vendor(s) An official quote from the vendor must be attached No website screen shots
- 2 This request must be reviewed, approved, and submitted by the requesting program's School Chair.
- 3 The School Chair may email this request to the Tech Fee Director *Since some schools will have multiple requests, please rename request PDF files in the following format Schoolname# (rank, 1 being the highest priority) example - SocialJustice1, SocialJustice2, etc Please submit as one PDF file*

Dept making request:	Intervention & Wellness	Requesting Faculty:	Jennifer Reynolds	Date Submitted:	10/18/2017
IMPORTANT: Attach an official quote from the vendor.					

List one item OR group (for use as a "package") per page.

Item Name	Vendor info. (name, address, Web site URL, phone #, email, etc.)	Part or Model #	Cost (each)	Qty	Total
iPad Pro (10.5 inch)	Apple Education Apple Inc 12545 Riata Vista Circle M/S 198HE Aultin, TX 78727 www.apple.com Phone 800-590-0063	64 GB	\$649.00	4	\$5321.75
iPad Pro (10.5 inch)		256 GB	\$799.00	2	
Apple pencil for iPad pro			\$99.00	6	
Apple pencil case			\$29.00	6	
Shipping			\$0	6	
Tax			\$359.75	6	

Course(s) where item(s) will be used	SPSY 5300, SPSY 5310, SPSY 7320, SPSY 7330 (Fall and Spring), SPSY 7940 (Fall and Spring)	Expected life of product (years)	10	# Students Impacted per Year	70
--------------------------------------	---	----------------------------------	----	------------------------------	----

Location equipment or software will be used/stored	Materials Room 3100J	Will Tech Fee needed for annual renewal or maintenance? What is the annual cost?	No annual cost
--	----------------------	--	----------------

Provide a brief description of the technology requested*:
 We had 6 iPad 2s purchased through the student tech fee previously, which are now outdated. We are requesting new products to allow students to continue to use them during their training. A recent meta-analysis conducted by the requesting faculty demonstrates that school psychologists can effectively use iPads to help with service delivery.

Briefly describe how the technology will be used (function)*:
 The iPads will be used by students in the department for a number of purposes. First, when students are in their third year internship at a site far from campus they use the device to facetime into class. Second, students regularly use the devices to videotape and submit assignments in a number of courses. Third, students use the iPads to learn about evidence-based academic and behavior interventions that are then used with students in K-12 schools in the UT and surrounding community. Fourth, students use the devices to become familiar with assessment tools efficiently with iPads (e.g., Behavior Tracker Pro, School Psychology Tools, administration of norm-referenced standardized instruments like the WISC-V via q-interactive).

Provide a rationale that Tech Fee funds are appropriate for this request*:
 Technology changes quickly and young children are using technology earlier and earlier with each passing year. iPads are quickly replacing computers, textbooks, and more importantly manipulatives in standardized norm-referenced tests used in the field of psychology (e.g., WISC-IV Q-interactive). The goal of the school psychology faculty is to assure that students are prepared to apply technological devices in their field upon graduation. By having access to these devices while in graduate school it makes this preparation more likely.

***Keep in mind that the committee members come from a variety of educational backgrounds and may not be familiar with department specific language. Please use concise, common terminology so that committee members reviewing this form will be able to fully understand the request.**

- If you are submitting a request for computers, printers, scanners or software, you must consult with College Computing and the technology staff, to acquire a quote and to make sure that this equipment/software is supported by UT and compatible with existing technology.

① Delivery & Pickup Options

Ship items to a single address
