

STUDENT TECHNOLOGY FEE REQUEST FORM

Procedure for Submission:

Form Updated: 8/11/16

1. Submitter must obtain all required information from the desired vendor(s). An official quote from the vendor must be attached.
2. Only one request per Request Form. This request must be reviewed, approved, and submitted by the requesting program's School Chair.
3. The School Chair may email this request to the Tech Fee Director. *Since some schools will have multiple requests, please rename request PDF files in the following format: SchoolName# (rank, 1 being the highest priority) example - SocialJustice1, SocialJustice2, etc.*

Dept. making request:	Population Health	Requesting Faculty:	April Ames	Date Submitted:	10/07/2016
IMPORTANT: Attach an official quote from the vendor.					

List one item OR group (for use as a "package") per page.

Item Name	Vendor info. (name, address, Web site URL, phone #, email, etc.)	Part or Model #	Cost (each)	Qty	Total
DustTrak DRX Desktop	TSI Incorporated, 500 Cardigan Rd., Shoreview, MN 55126	8533	11,577.64	2	23,155.28
Course(s) where item(s) will be used	PUBH 5020, 5160, & 5310		Expected life of product (years)	# Students Impacted per Year	90-100
Location equipment or software will be used/stored	Will Tech Fee funds be needed for annual renewals or maintenance?				

Provide a brief description of the technology requested*:

Briefly describe how the technology will be used (function)*:

This is a dust and aerosol monitoring device for students to use during the class and lab for 1) Occupational Health, 2) Environmental Health, and 3) Chemical Agents for the MSOH program (Industrial Hygiene). These are used by teams of students during class for learning and then during field study for skill development. While we would love to have more than 2 units (so that teams can be smaller), we recognize that they are expensive and are able to accommodate group sizes where there are 2 units being used in these classes. This is a piece of technology that students are expected to have mastered for a career in industrial hygiene.

Provide a rationale that Tech Fee funds are appropriate for this request*:

This is high-tech piece of equipment that performs real-time monitoring of both mass and size fraction for aerosols.

***Keep in mind that the committee members come from a variety of educational backgrounds and may not be familiar with department specific language. Please use concise, common terminology so that committee members reviewing this form will be able to fully understand the request.**

- If you are submitting a request for computers, printers, scanners or software, you must consult with College Computing and the technology staff, to acquire a quote and to make sure that this equipment/software is supported by UT and compatible with existing technology.
