

## STUDENT TECHNOLOGY FEE REQUEST FORM

Procedure for Submission:

Form Updated: 9/05/17

1. Submitter must obtain required information from vendor(s). An official quote from the vendor must be attached. No website screen shots
2. This request must be reviewed, approved, and submitted by the requesting program's School Chair.
3. The School Chair may email this request to the Tech Fee Director. *Since some schools will have multiple requests, please rename request PDF files in the following format: Schoolname# (rank, 1 being the highest priority) example - SocialJustice1, SocialJustice2, etc. Please submit as one PDF file*

Dept. making request:	Criminal Justice	Requesting Faculty:	Andrew "Mick" Dier	Date Submitted:	10/15/2020

Course(s) where item(s) will be used	Criminal Investigations I, II, and III	Expected life of product (years)	15	# Students Impacted per Year	200
Location equipment or software will be used/stored	Forensic Science Lab (3011 HH)	Will Tech Fee needed for annual renewal or maintenance? What is the annual cost?	No		
Provide a brief description of the technology requested*: These are life like forensic bodies in various forms of decay and various types of wound patterns and injuries.					
Briefly describe how the technology will be used (function)*: These forensic bodies will be used to simulate real life crime scene situations in multiple environments. Moreover, they will be used to teach the students required investigative skills and provide imperative practical experience. Additionally, the students will use the forensic bodies to reconstruct crime scenes and engage in the evidence collection process. The field of Crime Scene Investigation and Reconstruction is a ever evolving field of the Criminal Justice system. These forensic bodies are an essential piece in the utilization of the current and future criminal justice technology.					
Provide a rationale that Tech Fee funds are appropriate for this request*: These forensic bodies will be used in the teaching of numerous students, in 3 separate course offerings, Investigation I (CRIM 2210) Investigation II (CRIM 3290) and Investigation III (CRIM 4410).These course are taught every year. They are reusable and provide for a practical learning experience for the students. They move beyond the form of instruction to the practical application of knowledge, skills and abilities by the students.					

\*Keep in mind that the committee members come from a variety of educational backgrounds and may not be familiar with department specific language. Please use concise, common terminology so that committee members reviewing this form will be able to fully understand the request.

- If you are submitting a request for computers, printers, scanners or software, you must consult with College Computing and the technology staff, to acquire a quote and to make sure that this equipment/software is supported by UT and compatible with existing technology.
