Adjunct Faculty, *Marion Technical College, Marion Correctional Institute Branch, Marion, OH.* Prepared curriculum, lectured to, and tested 28 medium-security inmates enrolled in Psychology 100, a college skills building course. Provided basic academic guidance. Assisted students in the formation of their course presentations. Winter Quarter, 1998.

Private Practice Psychologist, *Psychology Group of Greater Toledo, Toledo, OH.* Provided individual and family counseling on a part-time basis. 12/01- 3/09.

EAP Counselor, *Behavioral Connections of Wood County, Bowling Green, OH.* Provided continuing education training to agencies with whom WCWC has contracts on a variety of mental health topics. Employed on a contingency basis. 8/07 – 9/08.

Alcohol and Drug Counselor, *Consolidated Care, Marysville, OH*. Provided full-time individual and group counseling to substance abuse only and dually diagnosed outpatient clients. 9/00 – 9/01.

Clinical Psychology Intern, *A.P.A. approved pre-doctoral internship, Cincinnati Veterans Affairs Medical Center, Cincinnati, OH*. First 6-month major rotation (24 hours per week): Acute Adult Inpatient Psychiatry Unit, The University of Cincinnati Hospital. Provided psychological services to acute care inpatient psychiatric patients. Conducted psychological assessments, focusing on the interpretation and integration of the Minnesota Multiphasic Personality Inventory-2, the Millon Clinical Multiaxial Inventory-III, the Rorschach (Exner System), the Rey Memory Test, the Thematic Apperception Test and the WAIS-III. Consulted with patients and psychiatric treatment and team regarding assessment results. Co-lead a weekly patient support group.

Second 6-month major rotation (24 hours per week): National Institute of Drug Abuse grant for the development of treatments for cocaine and opiate dependence, VAMC. Conducted screening assessment utilizing Addiction Severity Index, SCID, and the Hamilton Anxiety and Depression measures. Provided manualized treatment for cocaine dependent persons. Actively involved with the manuscript preparation of grant research data. Prepared a paper for publication presenting the data and results of a NIDA research study.

12-month Minor rotation (8 hours per week): Dual Diagnosis Clinic, VAMC. Conducted individual and group psychotherapy, and actively participated in weekly multidisciplinary treatment team meetings. Carried 3 long-term psychotherapy patients. Member of intern training committee where responsibilities included assisting the training director with in-service planning and the selection process for 2000-2001 intern class. 9/99 – 9/00.

Child and Family Psychotherapist, *Beech Acres, Cincinnati, OH*. Provided individual counseling to children and adolescents on a part-time basis. 9/99 – 9/00.

Counseling Psychology Advanced Practicum, *Counseling, Testing, & Career Center, The University of Akron*.

Provided individual counseling to a diverse student population covering issues such as career development, interpersonal concerns, academic planning, and relationships. Carried a caseload of 4-7 clients on a weekly basis. Responsible for presenting University outreach seminars on topics such as gay, lesbian and bisexual sensitivity training for the police academy and alcohol awareness with first year students. Interpreted vocational guidance assessment measures and incorporated the data into vocational counseling. Part-time. August 1998 - May 1999.

Supervision Practicum, *Clinic for Child Study and Family Therapy, The University of Akron, Akron, OH*.

Supervised the individual counseling of two masters-level practicum students. Provided one hour of supervision per trainee on a weekly basis. Observed trainee's videotaped sessions and monitored trainee's clinical case notes. Part-time. August 1997 - May 1998.

Advanced Practicum in Counseling Psychology, *Clinic for Child Study & Family Therapy, University of Akron*.

Conducted both brief and long-term psychotherapy for a diverse outpatient caseload of community adults, adolescents and children who presented with a wide variety of concerns.

Participated in reflecting team training both as a therapist and team member. Part time. August 1996 - May 1997.

Senior Counselor, *Parkside Recovery Services, Columbus, OH.*

Served onsite at the London Correctional Institute, Ohio Department of Corrections and Rehabilitation, London, OH, as program manager for a 20-week chemical dependency, violence prevention, and literacy improvement program servicing 65 medium-security Ohio inmates. Provided clinical supervision to a 4-person treatment team. Carried a caseload of 21 inmates. Presented lectures and conducted group and individual counseling services. Served as the liaison between the clinical team and prison officials at the state and local level. Computerized the treatment planning, clinical assessment and discharge summary procedures. January 1995 - August 1996. Promoted after six months. Formerly, **Counselor**: Carried a caseload of patients from the Columbus metropolitan area and federal parolees who were diagnosed with chemical dependence, eating disorders, and dual addictions. Clinical responsibilities included coordinating treatment planning with a multidisciplinary treatment team, presenting psychoeducational lectures, running psychotherapy groups, and conducting individual therapy in a JCAHO accredited and ODADAS and ODMH certified treatment setting. May 1994 - December 1994.

Internship-Community Counseling, *Valley Comprehensive Community Mental Health Center, Morgantown, WV.*

Provided crisis intervention and outpatient therapy to adults, adolescents, children, and families who presented with a wide range of diagnostic concerns. Facilitated a weekly group to residents of a short-term residential unit. Fielded walk-in and telephone crisis situations. January 1994 - May 1994.

Related Academic Experience

Research Assistant, *Isadore Newman, Ph. D., The University of Akron.*

Tutored graduate students in statistics. Assisted in consultation with faculty and students on research design questions. Coded, entered and analyzed data using S.A.S. software. Consulted with Evaluation & Research Associates, Inc. for Akron Public School's Small Class Project. Coordinated the monitoring of the administration and evaluation of test scores of achievement for the Charter Schools of Hope Academy in Cleveland, Ohio. Participated in the data analysis and management for the Goals 2000 grant on pre-service teacher training. August 1998 – September 1999.

Undergraduate Admission Advisor, *College of Education, The University of Akron.*

Provided academic course advisement for prospective and enrolled undergraduate students. September 1996 - May 1998.

Residence Hall Director, *Department of Housing and Residence Life, West Virginia University.*

Supervised 11 college student staff members. Maintained in-hall residence as a first-response emergency response team member. Advised student resident-elected hall council and facilitated hall-wide student programming for over 450 undergraduate residents. August 1992 – May 1994.

Assistant Director and Faculty Member, *Waterfield Institute, Kotmale, Sri Lanka.*

Supervised 11 indigenous support and office staff. Budgeted for the Institute and processed staff payroll. Directed daily faculty meetings. Managed and planned for facility development. Acted as liaison between the Institute and the local and national governments. Produced a video for the recruitment of faculty members. Advised Sri Lankan students in occupational and personal concerns. Developed curricula for and taught speech, principles of living, and physical education. Coordinated job placement program for graduating students. January 1990 – December 1990.

Research Assistant, *Office of Institutional Research, Academic Affairs, Ambassador University.*

Collected and analyzed data used in the evaluation of institutional programs and development. Compared university policy and procedures with those of other regional universities. Proposed improvements while assisting in the pursuit of S.A.C.S. accreditation. January 1991 – May 1991.

Funded Research

AY 2014-2015

1. I received \$18,000 to hire a graduate research assistant to assist with the evaluation of an Ohio Attorney General's Grant that was provided to the Zepf Center to provide their Opioid Recovery Housing project.

AY 2011-2012

1. Three doctoral students and I secured a donation of materials valued at \$300.00 to pursue research at the All-Ohio Counselors' Conference.

AY 2008-2009

1. 2009 IAAOC Research Grant Award. I, with Dr. Holly Harper, received a \$500.00 grant to fund a study titled: "College Drop Outs, Substance Use, and Resiliency."

AY 2006-2007

1. I served as a program evaluator on a White Paper grant investigation provided to the College of Health and Human Services by U.S. Representative Marcy Kaptur. This grant provided \$500,000.00 to study the needs of incarcerated mothers.

AY 2005-2006

1. A doctoral student and I secured a donation of materials valued at \$720.00 to pursue his doctoral dissertation research.
2. I served as a program evaluator on a White Paper grant investigation provided to the College of Health and Human Services by U.S. Representative Marcy Kaptur. This grant provided \$500,000.00 to study the needs of incarcerated mothers.

3. A doctoral student and I secured an award from Chi Sigma Iota of \$250.00 to fund her doctoral dissertation research.

AY 2004-2005

1. The Family Drug Court evaluation component continued into this year.
2. A doctoral student and I secured donations of materials valued at over \$700.00 to pursue an antibullying research intervention program.
3. I served as a program evaluator on a White Paper grant investigation provided to the College of Health and Human Services by U.S. Representative Marcy Kaptur. This grant provided \$500,000.00 to study the needs of incarcerated mothers.

AY 2003-2004

1. I was hired to work, alongside Drs. Salyers and Piazza, as an evaluator for a demonstration grant awarded to Lucas County Juvenile Court Chief Magistrate Donna Mitchell of the Family Drug Court. This grant was funded for three years and the evaluation component is for \$15,000.00 per year.

AY 2002-2003

1. I received funding from the Center for Teaching and Learning. This grant (\$300.00) allowed me to purchase additional psychological assessment materials for students' use while enrolled in the Advanced Personality Assessment course.

AY 2001-2002

1. The Community Reentry Partnership project in Lucas County was funded at \$96,000.00 over three years. This grant was accepted by not funded following the withdrawal of finances by the State.
2. I applied for and received a \$500.00 Faculty Small grant was awarded in support of ongoing research and provided the funding for the purchase of a statistical analysis software package.
3. Research involving the SASSI-3, which produced two, to date, published or accepted articles and an additional submission for publication, was funded, in part, by a donation of materials from the SASSI Institute valued at \$430.00.

Proposals Submitted by Not Funded

1. Laux, J. M., Roseman, C. P., Liu, Y., McGuire Wise, S., Armitage, G., Long, S., Graham, B., Fullenkamp, L., Klein, M., Zimmer, D. Submitted a request for \$291,223.00 to support the "University of Toledo BWHET Project." Grant submitted to but not funded by the Health Resources and Services Administration Funding Opportunity Number HRSA-16-193, Catalog of Federal Domestic Assistance Number 93.243. AY 2016-2017
2. Doctoral Student Tahani Dari and I submitted a \$70,000 grant application to the NBCC Foundation Capacity Building Grant Program. Submitted proposal for increasing mental health awareness/knowledge and cultural competence in K-12 schools. The goal of the project was to contribute to reducing mental health disparities among racial/ethnic

minority populations and increasing their ability to meet the mental health needs of their members. This grant was not funded. AY 2015-2016

3. I agreed to serve as the outside evaluator for a grant submission titled “Autism Spectrum Diagnoses and Wii: A winning combination for exercise participation in an at-risk population?” This was a \$72,470.00 grant submission that was unfunded. The principal investigators were Alexia Metz, Joseph Dake, Beth Ann Hatkevich, and myself.
4. I was the principal investigator on a Program of Excellence submission that would have partnered the Department of Counselor Education and School Psychology, BGSU’s Department of Counseling, The Psychology Group of Greater Toledo, and the Browning Masonic Retirement Community of Waterville. The title of the submission was “Expanding the Knowledge Base of Counseling into a Geriatric Population: An Improvement to the Department of Counselor Education and School Psychology. The amount requested was \$15,600.00. This proposal was *not funded*. Spring, 2006.
5. I agreed to serve as a co-evaluator, along with Associate Dean Benjamin and Dr. Jane Cox for a Catholic Charities grant designed to assess the immediate and long-term effectiveness of interventions designed to strengthen the marriages of couples who have adopted children. Fall, 2006. *This grant was not funded*.
6. I was the principal investigator on a grant submission (Interventions and Practice Research Infrastructure Program) that was to be a cooperative effort between the Department of Counseling and Mental Health Services and the Cullen Center. The amount requested was \$2,662,336.00. This proposal was sent to the Department of Health and Human Services, Public Health Services in the Fall of 2004 and *not funded*.
