

**David Kujawa, PT, DPT, MBA, OCS**  
**Clinical Assistant Professor**  
**CHHS Assistant Dean for Clinical Affairs**  
419-530-6676  
[david.kujawa@utoledo.edu](mailto:david.kujawa@utoledo.edu)

### **Education**

- Bachelor of Science in Physical Therapy  
Marquette University  
Milwaukee, Wisconsin
- Master of Business Administration  
University of Findlay  
Findlay, Ohio
- Doctor of Physical Therapy  
Arcadia University  
Glenside, Pennsylvania

### **Licensure**

- Physical Therapist  
State of Ohio

### **Certification**

- Board Certified Orthopaedic Clinical Specialist  
American Board of Physical Therapy Specialties

### **Teaching Responsibilities**

- PHYT 5290 Therapeutic Interventions II
- PHYT 5350 Introduction to Examination
- PHYT 6050 Health Care Policy and Delivery
- PHYT 6500 Musculoskeletal Rehabilitation I
- PHYT 6510 Musculoskeletal Rehabilitation II
- PHYT 7050 Practice Management

### Scholarly/Clinical Interests

- The role of upper quarter musculoskeletal dysfunction on headache
- Physical therapy service delivery models and their influence on clinical outcome, service utilization and health care system cost (e.g. telepractice, non-traditional service delivery sites, low-service utilization models, etc.)
- The role of the physical therapist as a primary care provider

### Professional/Clinical Activities

- Physical therapist specializing in the treatment of head, neck and jaw pain  
Department of Rehabilitation Services  
University of Toledo Medical Center

### Professional Memberships

- American Physical Therapy Association
  - Health Policy and Administration Section
  - Academy of Orthopaedic Physical Therapy
    - Pain Management Special Interest Group
- Ohio Physical Therapy Association
  - Chair, Continuing Education Committee
- American Headache Society
  - TMD, Cervical Spine and Orofacial Pain Special Interest Group

### Publications

- Quatman-Yates, C., Cupp, A., Gunsch, C., Haley, T., Vaculik, S., **Kujawa, D.**, Physical Rehabilitation Interventions for Post-mTBI Symptoms Lasting Greater Than 2 Weeks: Systematic Review; *Phys Ther* Vol. 96, No. 11, pp. 1753-1763, 2016
- Carrigan, M, **Kujawa, D**, Six Sigma in Health Care Management and Strategy; *The Health Care Manager* Vol. 25, No. 2, pp. 133-141, 2006
