

**Name of Policy:** Use of Learning Outcome or Other Student Assessment Data

**Department/Division:** Division of Recreation & Recreation Therapy

**Approving Officers:** Ruthie Kucharewski, Ph.D., CTRS  
Eric Longsdorf, Ph.D.

**Responsible Agents:** Ruthie Kucharewski (Recreation Therapy)  
Eric Longsdorf (Graduate Recreation Administration)

**Effective Date:** January 1, 2016

### **Policy Statement**

In accordance with University of Toledo assessment requirements and the assessment requirements of COAPRT accreditation the Division of Recreation and Recreation Therapy continually engages in the collection of student learning outcome data. This policy mandates that student learning outcome data, or any other student assessment data, is only to be used for programmatic improvement and may not be used as a secondary data source for personal research or any other use not aligned with programmatic improvement.

### **Policy Purpose:**

The purpose of this policy is to protect the confidentiality of student learning outcome data and ensure student learning outcome data is used solely for the intended purpose of programmatic improvement.
