

Name of Policy: Use of Learning Outcome or Other Student Assessment Data

Department: Division of Recreation & Recreation Therapy

Approving Officers: Holly Eichner, Ph.D., CTRS-BH, Program Director Recreational Therapy
Eric Longsdorf, Ph.D., Chair of the Department of Exercise and Rehabilitation Sciences

Responsible Agents: Holly Eichner, Ph.D., CTRS-BH (Recreation Therapy)
Eric Longsdorf, Ph.D. (Graduate Recreation and Leisure)

Effective Date: November 1, 2024

Policy Statement:

In accordance with University of Toledo assessment requirements the Recreational Therapy program continually engages in the collection of student learning outcome data. This policy mandates that student learning outcome data, or any other student assessment data, is only to be used for programmatic improvement and may not be used as a secondary data source for personal research or any other use not aligned with programmatic improvement.

Policy Purpose:

The purpose of this policy is to protect the confidentiality of student learning outcome data and ensure student learning outcome data is used solely for the intended purpose of programmatic improvement.
