

Gary A. Nieman

Directory, Customer Experience, Residential Insulation
Building Materials Group
Owens Corning

Gary A. Nieman was named Director, Customer Experience in February 2012. In this role, Nieman is responsible to leverage OC resources to provide best in class replenishment services to their residential insulation customers.

Prior to this assignment, Gary was Managing Director, Building Materials, Asia Pacific, located in Shanghai, China. He was responsible for the growth and profitability of OC's Building Material's Business throughout the Asia Pacific region. He also served as Managing Director of Owens Corning (India) Ltd. and as Executive VP of OC Korea, spending a total of 7 years in the AP region.

With Owens Corning since 1977, Nieman has also held a variety of positions in manufacturing, sales and sales management, product management, supply chain, and government affairs. He has a degree in chemical engineering from Michigan Technological University. He serves on the Boards of Directors for Junior Achievement of Northwest Ohio and the Owens Corning Foundation.

Owens Corning (NYSE: OC) is a leading global producer of residential and commercial building materials, glass-fiber reinforcements and engineered materials for composite systems. A Fortune® 500 company for 60 consecutive years and in business for more than 75 years, Owens Corning is a market-leading innovator of glass-fiber technology with sales of \$5.3 billion in 2013 and about 15,000 employees in 27 countries.
