

Consent Form and Nonexclusive License for Publishing Works on The University of Toledo Digital Repository

I, _____ give permission for my Work to be published on The University of Toledo Digital Repository (UTDR). In order for the University of Toledo ("University") to publish my Work, I grant to the University the non-exclusive right to reproduce, translate, and/or distribute my submission worldwide in electronic format and in any medium, including but not limited to audio or video. I agree that the University, without changing the content, may translate my Work to any medium or format for the purpose of preservation. I also agree that the University may keep more than one copy of my submission for purposes of security, back-up, and preservation. I represent that the submission is my original work, and that I have the right to grant the rights contained in this license. Additionally, I represent, to the best of my knowledge, that my submission does not infringe upon anyone's copyright. If the submission contains material for which I do not hold the copyright, I represent that I have obtained the unrestricted permission of the copyright owner to grant the University the rights required by this license, and that such third-party owned material is clearly identified and acknowledged within the text or content of the submission. For research involving human subjects, I represent that I have obtained the necessary IRB approval. The UTDR will clearly identify my name as the author or owner of the submission, and will not make any alteration, other than as allowed by this license, to my submission.

I am aware that my work will be made available by the University under a Creative Commons License (Attribution-NonCommercial-NoDerivatives 4.0 International: CC BY-NC-ND 4.0). A digital dissemination is considered a form of publication by many publishers. Once deposited, my Work will not be withdrawn without a takedown request under the Digital Millennium Copyright Act of 1998. Under some circumstances also (such as plagiarism, factual inaccuracy, violation of privacy, potential copyright infringement, or other ethical concerns), it may be removed from the UTDR. The University shall not authorize the harvesting of contents by external entities. Authors will be responsible for the removal of illegitimate copies from websites such as SCRIBD, KIPDF, etc.
