Scope and Contents

Collection contains manuals, handbooks, casebooks, course descriptions, and all other texts used in the Army Training Program from 1953 to 1966.

All of the texts cover such logistics problems as finances, management, storage, production, and ordnance. The Army Industrial Fund (AIF) is the subject of several folders in the series.

Series is arranged alphabetically by subject and chronologically within each subject. Items dealing with the Engineering/Science Management War Training Program of WWII have been removed.
