Wound and Hyperbaric Symposium

Friday, September 16, 2016
8:00 a.m. - 5:00 p.m.

Location:
Kalahari NIA Convention Center
7100 Kalahari Drive
Sandusky, Ohio 44870

INTRODUCTION

The focus of the activity will be to emphasize new advances in wound healing, management of biofilm, involving physical therapy and other ancillary services in wound management protocols, mastering state survey preparation in the extended care facility, ensuring nutritional principles in wound healing, recognizing the pathophysiology of and need for glycemic control in diabetic foot ulcers, and the role of HBOT in wound management. We welcome many local, regional, and national speakers who are subject matter experts and well known in the fields of wound management and hyperbaric oxygen therapy. Vascular surgeons, family physicians, general surgeons, plastic surgeons, maxillofacial surgeons, endocrinologists, emergency room physicians, infectious disease physicians, orthopaedists, oncologists, podiatrists, as well as nurses, nurse practitioners, physician assistants, physical therapists, occupational therapists, dieticians, residents, students, and other health care professionals who deal with the wound care patient will benefit from the multi-disciplinary and comprehensive approach to this educational event.
Wound and Hyperbaric Symposium
Kalahari NIA Conference Center, Sandusky, OH

AGENDA

7:45 - 7:55 am  Registration/Breakfast/Exhibits
7:55 - 8:00 am  Welcome
Munier Nazzal, MD, FACS, FRCS, RVT, FACCWS
Moderator: Joseph J. Lach, MD, FACS
8:00 - 8:20 am  Comprehensive Wound Assessment and Documentation
Erin McClure, BSN, RN, WCC, OMS
8:20 - 8:40 am  Use of Epidermal Harvesting in the Management of the DFU
Thomas E. Serena, MD, FACS, MAPWCA, FACHM
8:40 - 9:00 am  The Economic Impact of Lower Extremity Wounds
Gary M. Rothenberg, DPM, CDE, CWS
9:00 - 9:20 am  Cellular/Biological Aspects in Diabetic Wound Healing
Gary M. Rothenberg, DPM, CDE, CWS
9:20 - 9:35 am  HBOT Update: Who, When, and How to Refer
Munier Nazzal, MD, FACS, FRCS, RVT, FACCWS
9:35 - 9:50 am  Panel Discussion/Q&A
9:50 - 10:00 am  Break/View Exhibits
Moderator: Karen Bauer, MS, NP-C, CWS, CHRN
10:00 - 10:20 am  Management of Biofilm and Wound Infection
Bill Richlen, PT, WCC, DWC
10:20 - 10:40 am  Case Presentations
Munier Nazzal, MD, FACS, FRCS, RVT, FAACWS
Karen Bauer, MS, NP-C, CWS, CHRN
10:40 - 11:00 am  Your State Survey: A Survival Guide
Cheryl Carver, LPN, WCC, CWCA, DAPWCA, FACCWS, CLTC
11:00 - 11:20 am  Medications that Contribute to or Delay Wound Healing
Karen Bauer, MS, NP-C, CWS, CHRN
11:20 - 11:40 am  Noninvasive Vascular testing in the Lower Extremity Ulcer
Medhi H. Shishehbor, DO, MPH, PhD
11:40 - 12:00 pm  Panel Discussion/Q&A
12:00 - 1:00 pm  Lunch/View Exhibits
Moderator: Karen Bauer, MS, NP-C, CWS, CHRN
1:00 - 1:20 pm  Designating a Wound Care Team in the Extended Care Facility: Why is it Necessary?
Cheryl Carver, LPN, WCC, CWCA, DAPWCA, FACCWS, CLTC
1:20 - 1:40 pm  The Role of the Physical Therapist in Wound Care
Bill Richlen, PT, WCC, DWC
1:40 - 2:00 pm  The Business of Wound and HBOT: What are the Real Costs?
Thomas E. Serena, MD, FACS, MAPWCA, FACHM
2:00 - 2:20 pm  Nutrition Case Study
Ryan Majcher, MS, RD, LD, CDE
2:20 - 2:40 pm  Management of the Arterial Ulcer in the Face of Diabetes
Medhi H. Shishehbor, DO, MPH, PhD
2:40 - 2:55 pm  Surgical Management of the Venous Ulcer
Munier Nazzal, MD, FACS, FRCS, RVT, FACCWS
2:55 - 3:10 pm  Panel Discussion/Q&A
3:10 - 3:25 pm  Break/View Exhibits
Moderator: Munier Nazzal, MD, FACS, FRCS, RVT, FACCWS
3:25 - 3:40 pm  Hyperbaric Oxygen Therapy in the Diabetic Foot Ulcer
Joseph J. Lach, MD, FACS
3:40 - 4:00 pm  Management of the Open Abdomen
Richard Schlanger, MD, PhD, FACS
4:00 - 4:20 pm  Medical Management of Charcot Arthropathy
Eugene R. Kubitz, DPM, MS, CWS, FACFAS, FAAAPSM, FACCWS
4:20 - 4:40 pm  Updates in Wound Management: What’s on the Horizon?
Richard Schlanger, MD, PhD, FACS
4:40 - 5:00 pm  Panel Discussion/Q&A
5:00 pm  Adjournment
OBJECTIVES

- Explore key components of a comprehensive wound assessment.
- Comprehend the science behind epidermal grafting.
- Identify major sources of economic spending with lower extremity wounds.
- Identify phases of wound healing to identify appropriate interventions to promote healing.
- Recognize the clinical indications for HBOT.
- Discuss different treatment options to effectively manage biofilms and wound infections.
- Discuss wound cases.
- Identify tips, techniques and strategies to survive state survey.
- Identify the main medications that hinder/assist wound healing.
- List all modalities to diagnose and define perfusion to lower extremities.
- Identify importance of the multidisciplinary team approach, explain physician monitoring Ftag 385.
- Describe 3 roles physical therapy has with wound care patients.
- Clarify the profit and loss for wound hyperbaric centers.
- Discuss wounds and nutrition case study.
- Discuss arterial ulcers and diabetes.
- Comprehend the basic pathophysiology and clinical presentation of venous ulcers.
- Recognize the principles of uses of hyperbaric oxygen therapy in diabetic foot ulcers.
- Differentiate the new active dressings and their application.
- Recognize/identify charcot arthropathy and offer non-surgical treatment options.
- Comprehend the role of genetic therapy and stem cell therapy.
ACCREDITATIONS

The University of Toledo is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The University of Toledo designates this live activity for a maximum of 7.50 AMA PRA Category 1 Credits™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

This Live activity, Wound and Hyperbaric Symposium, with a beginning date of 09/16/2016, has been reviewed and is acceptable for up to 7.50 Prescribed Credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Commission on Dietetic Registration has approved this Activity Wound and Hyperbaric Medicine #126979 for 8.00 Level 1 CPEU's.

The State of Ohio Board of Executives of Long Term Services & Supports (BELTSS) has approved this program for 7.50 course hours with BELTSS#223-C-16.

The AAPA accepts certificates of participation for educational activities certified for Category 1 credit from the AOACCME, Prescribed credit from AAFP, and AMA PRA Category 1 Credit from organizations accredited by ACCME or a recognized state medical society.

The Ohio Board of Nursing will accept, at face value, the number of hours awarded for an educational activity that has been approved for CE, provided it was approved by a nationally accredited system of CE approval.

INFORMATION

Hotel Reservations: Reservations can be made at 1-877-525-2427 or www.kalahariresorts.com. Make sure you mention that you are with the UT Wound and Hyperbaric Symposium to get the block room rate. Block room rates are only good through August 16, 2016.

Symposium Cancellation Policy: Refund for program registration will be grants minus a $25 administrative fee on or before September 1, 2016. After that date, the entire amount will be held in recognition of program expense. Failure to attend or cancel registration according to these guidelines will result in a forfeiture of the registration fee.

Fees:
Health Care Providers . . . . . . $90.00

Fees include: registration, breakfast/lunch and credit

TO REGISTER:
ONLINE (recommended): cme.utoledo.edu
The University of Toledo-CME
3000 Arlington Avenue, MS 1092
Toledo, OH 43614

Deadline for symposium registration is Friday, September 2, 2016.
We cannot guarantee availability after that date.

No Symposium Syllabus will be provided.
You may view/print if desired online at cme.utoledo.edu one week prior to the symposium.

ONLINE REGISTRATION is encouraged at:
cme.utoledo.edu
(Using Visa, MasterCard or Discover)
Wound and Hyperbaric Symposium

FRIDAY, SEPTEMBER 16, 2016

Name ____________________________________________________________
