

Dear Ob-Gyn Clerkship Student:

Our institution has an active subscription to the Association of Professors of Gynecology and Obstetrics (APGO) Undergraduate Web-Based Interactive Self-Evaluation (uWISE) self-assessment tool which provides you with a personal subscription during your ob-gyn clerkship rotation. The APGO uWISE is an approximately 600-question interactive self-exam designed to help medical students acquire the necessary basic knowledge in obstetrics and gynecology. Students find this resource to be an extremely valuable study tool since it allows you to gain feedback on each of the questions as you move through the various exams.

The link below will take you to a page where you will create your log in credentials. You must use your **SCHOOL EMAIL ADDRESS** as your user name and email on file so that we can manage your individual subscription. It is imperative that you do not share your log in credentials with anyone else. These credentials are connected to your personal scores which will be displayed on your portal page and by sharing your log in you will also be breaking the copyright and use guidelines for this resource. Once you set up a log in you will have access to this resource until you have completed the clerkship and taken the shelf exam, approximately 5 weeks. Please note: You do not need to re-register each time you launch the uWISE link, simply click the Sign In link.

We recommend you use this resource throughout your ob-gyn clerkship rotation as a supplement to classroom activities and as a study tool.

At the end of your Clerkship rotation, we recommend you download your Transcripts Report (*My Learning > Grades > Click here for your transcript*) and save for historical purposes *this information will not be available once your rotation is over*. Please forward a copy of your Transcript Report to your **Clerkship Director or Administrator** at the end of your rotation as well.

We hope you enjoy this valuable resource that is being provided to you free of charge. Please contact me if you have any questions.
