

**COLLEGE OF MEDICINE
AND LIFE SCIENCES**

THE UNIVERSITY OF TOLEDO

**Multiple Tenure-track Faculty positions
Department of Physiology and Pharmacology at the University of Toledo
College of Medicine and Life Sciences**

The Department of Physiology and Pharmacology at the University of Toledo College of Medicine and Life Sciences is recruiting for multiple faculty positions. Candidates will be considered for all ranks from Assistant Professor to Full Professor. Candidates should have a Ph.D. degree and should be well positioned to lead an independent research program which is complimentary to current research strengths in the Department in microbiota, metabolomics, hypertension, metabolism, immunity, cardiovascular diseases, cancer, gastrointestinal disorders, lung diseases and Artificial Intelligence & Machine Learning. Additional information about the Department can be found at the following website: <https://www.utoledo.edu/med/depts/physpharm/index.html>. Candidates with K99/R00, K01 or AHA/ADA and other career development awards will be strongly considered for Tenure eligible Assistant Professor positions. Candidates seeking Associate/Full Professor positions are expected to have R01 or equivalent funding along with a strong record of high-quality research and publications.

Successful candidates will receive competitive salaries, start-up packages and newly renovated laboratory space in addition to research incentives. Applicants should submit curriculum vitae, names of three referees and a statement of research interest to <https://utoledo.csod.com/ux/ats/careersite/5/home/requisition/3808?c=utoledo>. Applications will be considered until the positions are filled. The University of Toledo is an equal access, equal opportunity, affirmative action employer and educator.
