

2019 – 2020 General Psychiatry Residency Application Requirements

COLLEGE OF MEDICINE
AND LIFE SCIENCES

THE UNIVERSITY OF TOLEDO

Victoria Kelly, MD

Director, Residency Training Program, Department of Psychiatry

Introduction

The University of Toledo College of Medicine and Life Sciences and General Psychiatry Residency Program does not discriminate with regard to sex, race, age, religion, color, national origin, disability, or any other applicable legally protected status.

Requirements

- Completed ERAS applications
- Personal statement
- 3 Letters of recommendation, and each must be written by US physicians and dated within the past 12 months
- Official medical school transcript (with registrar's signature and seal)
- Dean's letter of MSPE (Medical School Performance Evaluation)
- U.S. Citizenship or J1 visa sponsorships only

Score Requirements

- **USMLE Step 1:** Preference is given to candidates who pass on the first attempt and with Step 1 scores of 200 or greater;
- **USMLE Step 2CK:** Preference is given to candidates who pass on the first attempt and with Step 2CK scores of 225 or greater;
- **USMLE Step 2CS:** Preference is given to candidates who pass on the first attempt ONLY. Should you fail Step 2CS your application will not be considered.
- **USMLE Step 3:** Preference is given to FMG candidates who pass on the first attempt.

- **COMLEX Level 1:** Preference is given to candidates who pass on the first attempt and with Level 1 scores of 425 or greater;
- **COMLEX Level 2CE:** Preference is given to candidates who pass on the first attempt and with Level 2 CE scores of 425 or greater;
- **COMLEX Level 2PE:** Preference is given to candidates who pass on the first attempt ONLY. Should you fail Level 2 PE your application will not be considered.

Mission Statement

A positive educational environment providing multi-dimensional training that exceeds accreditation guidelines while challenging and supporting the residents in a respectful and fair environment.

- Highly personalized attention to each resident's needs
- Mentoring and close faculty relationships
- Focus on work-life balance
- Extensive training in consultation-liaison and geriatric psychiatry
- Use of one-way mirror and immersive simulation center for educational needs
- Home call for PGY 2 and 3
- Encouragement of professional development, teaching, collaboration, advocacy, and leadership

Interviews

Interviews will occur mostly on Mondays and Fridays throughout the interview season. If you are extended an invitation and accept, you will be able to go to dinner with the residents the night before your interview day. You will then meet with various faculty during the interview morning, receive a tour, and have lunch with other residents and faculty which will mark the conclusion of the interview day.

Deadline

Completed applications in ERAS must be received no later than November 1, 2019.
