COMMUNITY CARE STATEMENT

As a participant in this roundtable, we ask you to be respectful of your peer’s thoughts and opinions. The intent of this roundtable is not to be confrontational or argumentative with one another, but to be a space where UTtoledo community members can be their authentic selves and share their thoughts and feeling within a civil manner.
PROGRAM OBJECTIVES

• Provide a **safe space** for the University community to talk about the tragic killing of George Floyd.
• Create an **environment of solidarity and support** for those affected by the current events.
• Highlight **campus and community resources** to aid in coping with trauma.
