

## **Mary Beth Crawford, MD, FACEP, FAAEM**

Clinical Assistant Professor, Dept of Emergency Medicine  
University of Toledo College of Medicine  
crawfordmarybeth@yahoo.com  
419-893-5920

### **Professional areas of interest:**

- EMS Systems

### **Personal areas of interest:**

- Exercising, bike riding, running, Olympic distance triathlons, tennis and reading beyond medicine.

I have a strong belief in the importance of balance in life. Embrace the power of gratitude for what life brings to us, including the challenges. Gratitude, Integrity, Commitment, Humility, Compassion, Love, Patience, and Perseverance: These are the bricks to build upon during our journey through life.
