- Closing Remarks

COLLEGE OF MEDICINE
AND LIFE SCIENCES

THE UNIVERSITY OF TOLEDO

COMMUNITY CARE STATEMENT

As a participant in this roundtable, we ask you to be **respectful** of your peer's thoughts and opinions. The intent of this roundtable is not to be confrontational or argumentative with one another, but to be a space where UToledo community members can be their **authentic selves** and share their thoughts and feeling within a **civil** manner.

COLLEGE OF MEDICINE
AND LIFE SCIENCES

THE UNIVERSITY OF TOLEDO

PROGRAM OBJECTIVES

- Provide a **safe space** for the University community to talk about the tragic killing of George Floyd.
- Create an **environment of solidarity and support** for those affected by the current events.
- Highlight **campus and community resources** to aid in coping with trauma.
