

Title of Clerkship: **Cardiology – Lima AHEC (2 weeks)**

Elective Year(s): Fourth-Year Elective

Department: Internal Medicine

Type of Elective: Clinical Non-Clinical/Research Basic Science

Clerkship Site: Lima, Ohio

Course Number: MEDI 744

Blocks Available: All, when preceptors are available

Number of Students/Block: 1

Faculty: Pamela R. Gardner, D.O. and Zane Dean, M.D.

Elective Description/Requirements: This rotation will allow the student to gain knowledge in various aspects of cardiology. Students will have a better understanding in dealing with inpatient care, office visits, EKG's, echocardiograms, routine and pharmacological stress test, heart catheterizations, PTCA's, stent insertion, cardioversion, and transesophageal echo. The student will accompany the cardiologist on all phases of the practice.

Length of Clerkship: 2 weeks

Links to Core Competencies: [Educational Course Objectives](#)
At the end of this elective, the student will be able to:

PC-3 Interview patients collecting pertinent data concerning the patients' presenting problems

PC-2 Perform a complete or focused physical examination as appropriate and distinguish normal from abnormal findings

PC-8 Synthesize information to develop a reasonable differential diagnosis and be prepared to present to preceptor

PC-8 Following an assessment of all assigned patients, students will describe the chief problems and a plan for treatment.

PC-3, PC-4 Prepare a complete H & P for a new patient admitted to the service and chart the results

PC-2, PC-3, PC-4 Periodically re-evaluate patients' status including interpretation of new history and physical exam finding

PC- Use and interpret laboratory and radiographic tests used in diagnosing common disease

PC-9 Recognize and manage situations related to common diseases that are potential emergencies

MK-9 Identify ethical problems which arise in patient treatment and care

MK-9 Use ethical principles to reach a resolution in a presented case

All students participating on this clerkship will meet or exceed the institutional standards for professional behaviors as evidenced by

- adhering to the dress code consistent with clerkship standards.
- being punctual for all educational experiences (i.e. exams, clinics, rounds, small group sessions, appointments at the clinical skills center).
- fulfilling all educational assignments and responsibilities on time.
- displaying honesty in all interactions and situations.
- contributing to an atmosphere conducive to learning and is committed to advance scientific knowledge.
- establishing and maintaining appropriate boundaries in all learning situations
- using professional language being mindful of the environment.

- establishing effective rapport.
- being respectful at all times of all parties involved.
- resolving conflict in a manner that respects the dignity of every person involved.
- respecting the diversity of race, gender, religion, sexual orientation, age, disability and socioeconomic status.
- exhibiting humanism in all interactions.
- protecting patient confidentiality.
- being aware of and adapting to differences in individual patients including those related to culture and medical literacy
- recognizing personal limitations and seeking appropriate help.
- accepting constructive feedback and making changes accordingly.
- exhibiting independent and self-directed learning.
