

Title of Clerkship: Dermatology Elective – Bryan AHEC (2 weeks)

Elective Year(s): Fourth Year Elective

Department: Internal Medicine

Type of Elective: Clinical Non-Clinical/Research Basic Science

Clerkship Site: Bryan, Ohio

Course Number: DERM 730

Blocks Available: All

Number of Students/
Block: 1

Faculty: Melissa Williams, M.D.

Elective Description/
Requirements: A two-week elective spent on a one-to-one basis with a dermatologist in Bryan. Students will see outpatients in an Ambulatory Private Practice. Additional responsibilities may include taking a history and performing a physical examination as well as assisting in minor surgeries. Reading about dermatologic disorders seen in the office is expected.

Length of Clerkship: 2 weeks

Links to Core
Competencies: Educational Course Objectives
At the end of this elective, the student will be able to:

MK-3, MK-4, MK-5 1. Identify common skin disorders (such as acne vulgaris, atopic dermatitis, various types of skin cancers, actinic keratoses, etc.) and link the gross and histological appearance with the diagnosis.

MK-3, MK-4, MK-5 2. Describe the pathophysiology of the skin lesions that are seen and link this to the gross appearance and potential for progression of the lesion.

PC-1, PC-2 3. Identify the targeted history and physical examination findings that support a dermatological diagnosis.

PB-6, SBP-5 4. List the indications for referral to a Dermatologist.

Professionalism: UT/COM students will meet or exceed the institutional standards for professionalism as stated in the current Educational Program Objectives and the current Educational Course Objectives for the Sponsoring Department.
