

Blood Borne Pathogen Exposure Protocols

When at The University Of Toledo Health Science Campus:

In the event of blood or body fluid exposure:

1. Flush area thoroughly for 15 minutes; wash with soap if applicable.
2. Notify supervising faculty member or preceptor.
3. Always report to UTMC Emergency Department for initial assessment of injury and exposure.
4. Immediately obtain and submit all lab results from both you and the primary source of contact to Ruppert Health Center, Family Medicine.
5. Complete a UTMC employee injury report at utoledo.edu/depts/safety/Forms.html and send to Safety and Health.
6. After hours/weekends call UT Emergency Department at 419-383-3888 to address questions or concerns.
7. Notify Clerkship Director of incident.

THE UNIVERSITY OF TOLEDO
MEDICAL CENTER
