

Eaton Corp. - Rubber Material Engineer - (040456)

My name is Aaron D. Clark and I'm the Chief Chemist and Materials Science manager for Eaton Corp. We have a new position available in our Maumee, OH technical center for an elastomer chemist (rubber and plastic). Applicants would include chemistry, biochemistry and chemical engineering majors that are graduating now or will be in the near future. If you would like more information then please contact me.

The posting is on www.eatonjobs.com:

“Rubber Material Engineer” – (040456);

or I can be contacted through the information in my signature below.

Regards,
Aaron
