

Department of Environmental Sciences

Internship Approval Form

Applies to EEES 4910 (Directed Research) and EEES 4940 (Internship)

To get approval for your proposed internship, please complete this form and submit it, via email, to Dr. Sigler at least two weeks before you plan to begin the internship (von.sigler@utoledo.edu).

IMPORTANT: You must cc your Internship Supervisor when submitting this form.

1. Your name and major (check one): _____ ☐ ENST **OR** ☐ ENSC

2. Your Rocket Number: _____

3. I am meeting my internship requirement by enrolling in (check one): ☐ EEES 4910 **OR** ☐ EEES 4940
(Directed Research) (Internship)

*Note: Checking either option **DOES NOT** enroll you. You must register, as for any other course.*

4. In which semester and year will you enroll (check one)? Fall (for fall and summer internships)
Spring
Year _____

5. Proposed Internship organization or Directed Research lab: _____

6. Internship Supervisor (i) name, (ii) email and (iii) phone number: _____

7. If your internship *will not* be performed in Ohio, list the location: _____

8. After consultation with your Internship Supervisor, briefly describe your proposed educational activities in the box below.

I attest that the information above is correct, and that the proposed Internship will provide a minimum of 32 hours of formal education (mentoring, training, study) embedded in a minimum of 100 hours of activity.

Internship Supervisor signature/date: _____

Student signature/date: _____
