

Office of the Provost

November 24, 2021

Dear Dr. Kathy Shan,

The Office of the Provost would like to congratulate you for being named in a submission to the “*Shout Out*” for *Innovative Instructors and Staff* campaign.

The campaign provided students with the opportunity to highlight instructors and staff who have positively impacted their well-being, success, or sense of community on campus during the fall 2021 semester.

Here is what a student said, recognizing your support this semester:

Dr. Kathy has truly been a huge help. I honestly feel that if I had a different physics teacher, there is no way I would be doing as well as I am now. She explains everything with so much detail and uses real life examples to make concepts easier to grasp. She is always there for help after class and during all of her office hours. Keep up the great work and thank you for what you do!

Thank you for going above and beyond to help our students feel supported and able to succeed!

All submissions are being compiled and may be disseminated so that we can celebrate the ways in which our instructors and staff support student success and allow others to learn from you.

Sincerely,

Karen S. Bjorkman, PhD.
Provost and Executive Vice President
