

**One World, One Sky: Big Bird's Adventure  
and  
Moon Adventures  
Saturdays @ 1:00 PM, April 15 through April 29<sup>th</sup>**

Moon Adventure is a free hands-on educational experience following the planetarium show, One World, One Sky: Big Birds Adventure. The event will include many moon centered activities including making craters and exploring the "moon" with binoculars. Both the planetarium program and the Moon Adventures are aimed at children ages four through six.

Admission is \$7 for adults and \$5 for children to the planetarium program. There is no additional fee for the Pre-school Moon Adventures. Guest are asked to arrive by no later than 12:40 PM.

*For information about the Ritter Planetarium (including maps and directions) and our public program schedule please visit [ritter.utoledo.edu](http://ritter.utoledo.edu), or call 419.530.4641.*
