Fringes to gov't includes Medicare and unemployment. Medicare is not based on a percent, it is based on actual and will always be slightly off from the budgeted amount because it is calculated on gross minus medical.

Pooled positions are found on the web library. If not listed email Robin Kuhl in the Budget Office for new number. Please provide Index code, banner account code, organization number, and position class.

**The University of Toledo - Fringe Rates FY07
Specific Positions Only**

(Specific Positions are budgeted for and can be occupied by only one employee at a time)
