Data in the effort reporting module includes information from the payroll calendar. Although we are certifying quarterly, effort reporting is based on two-week pay periods. If a quarter ends during a pay period the effort certification module includes work that was performed in the prior quarter, in which the pay period extended into the new quarter. Hence the last week of Effort period quarter may be included in the next period's review.

Please see the Pay Date Schedule below for Effort Certification:

## 2015 3<sup>rd</sup> Quarter Effort Pay Dates
