Creating a New IRB Application

1. Login to IRB Manager using your utad credentials

2. From your "dashboard", on the left side of the page, click on "new IRB research"

For support, refer to the Human Research Protection Program website at
https://www.utoledo.edu/research/rsp/irb/

If you have never completed an IRB application before, consider IRB application training or attending a Q & A session: https://www.utoledo.edu/research/rsp/irb/IRB-Training.html.

If you have any questions related to IRB process, contact Nicki Lederer, SBE IRB Analyst, at
Nicole.lederer@utoledo.edu.
