UToledo Spring 2020 Semest...

Dear Faculty and Staff,

Please see the attached document that describes some changes to withdrawal deadline, incomplete grades, and a Pass/No Credit option for students that we are putting in place for this semester, given the challenges that COVID-19 has posed to all of us as we try to maintain our educational mission and support our students through this difficult time. You may also want to know that many universities in Ohio and across the country are putting similar plans in place.

Deans are aware of these new options, and colleges should have conversations with faculty and advisors about this. Colleges will play an important role in providing context for their majors about potential implications of these choices, such as licensure, accreditation, financial aid, degree completion timing, etc.

Thank you for everything you are doing to help our students and each other as we navigate this crisis together! Please stay safe.

Sincerely,

Karen S. Bjorkman, Ph.D.
