

Success Coach or Advisor – Where do I go?

Go to your **Success Coach** when you:

- Need connections or referrals to campus resources like tutoring or counseling
- Could use help on your study strategies (goal setting, time management, etc.)
- Are having trouble transitioning to college (feeling alone or homesick, etc.)
- Need some direction to get more involved on campus
- Are just beginning to think about possible careers
- Need help navigating financial aid
- Are having trouble managing a budget

Go to your **Academic Advisor** when you:

- Need connections or referrals to campus resources like tutoring or counseling
- Lay out an initial plan of study in your major or need to update your plan of study
- Need help with course selection or registration
- Need help running or interpreting your Degree Audit
- Want to double check that you're on track to graduate (recommended every semester)
- Want to declare or change a major or minor
- Need information about experiential learning opportunities in general (co-ops, internships, study abroad/away, etc.)
- Need to start focusing on your career-readiness

Go to your **Faculty Advisor** when you:

- Need connections or referrals to campus resources like tutoring or counseling
- Need advice on which elective major courses you should take
- Need information about experiential learning opportunities in your major (co-ops, internships, study abroad/away, etc.)
- Reach 80 credit hours, in order to do your Graduation Progress Check Sheet
- Need Advice about next steps you should take in your field after graduation
- Want to start preparing for applying to graduate or professional school
