## **Financial Responsibility, Student Bills and Payments**

Each student is financially responsible for payment of fees and charges assessed to his/her student account. Student accounts may be audited (reviewed) and the University has no limitation on how many semesters it may go back to assess additional fees. Students receive bill *notification* electronically via their University of Toledo assigned e-mail address. The University e-mail address ([firstname.lastname@rockets.utoledo.edu](mailto:firstname.lastname@rockets.utoledo.edu)) allows guaranteed delivery, provides quicker communication and is consistent with other processes. If other parties such as parents, grandparents, guardians, etc. are assisting a student with payment, it is the student's responsibility to communicate the balance owed and the date it is due. Students may opt to provide others accessibility to view and/or make payments to their account. The student receives the educational services and is the account owner. Students can access their student account using the MyUT portal. The portal does require the student to log in using their password. The due date for each semester's fees is communicated on the student's account/E-statement and on the Treasurer's website under Important Dates. After the due date is reached for the semester, any fees for the semester are due immediately after they are incurred. The due date at this point will always show as the current date.

All fees are billed and payable in U.S. dollars. Any bank fees for processing foreign payments will be charged back to the student. The University accepts certified checks, personal checks, money orders and electronic payment of fees. Electronic payments can be made via the MyUT portal. It is recommended to convert cash to a bank check or money order when using the depository in Rocket Hall. The University accepts credit card payments via a third-party processor. The processor accepts MasterCard, Visa, Discover and American Express. Prepaid debit cards are not accepted. Payments are made via the MyUT portal. The processor for credit cards assesses a convenience fee for these types of transactions. International students can elect to have payments made through Peer Transfer. The link and information is available on the e-statement. Payments will be applied to the oldest balance first. Payments received on a student's behalf from a third party will be treated as a scholarship unless the University has already established a contract with the third party. Scholarships, waivers, loans and third-party contracts will apply to designated fees per academic semester. The University can also remove financial aid funds from a student's rocket card to cover a past due balance on a student account without notification.

To activate your UTAD account, visit [myutaccount.utoledo.edu](http://myutaccount.utoledo.edu) and enter your Rocket ID (as shown on your letter of admission) and date of birth. Complete all requested steps to activate your account, secure your UTAD login and password, and establish your [utoledo.edu](mailto:utoledo.edu) email address.

## **Fee Policies**

All fees, policies and rules are effective for the 2020-2021 academic year. Tuition rates are assessed at the student level and residence classification. For example, graduate students taking an undergraduate course are assessed at the graduate level. The University reserves the right to make changes without advance notice. All fees are approved by the Board of Trustees.

Once a student registers for courses, he/she is responsible for all fees. Payment is due by the specified published due date. Due dates are available on the Treasurer's website and the student's e-statement. Registration activity (adding or dropping courses), after the published due date, should be paid the same day the activity occurs. Accounts must be kept current in order for the student to maintain enrollment eligibility and receive official University documents and services; i.e., transcripts.

**Failure to De-Register Fee** - Students that elect not to attend the University of Toledo and subsequently fail to drop or withdraw from all their courses by the dates identified will be assessed a non-refundable administrative fee of \$500.00 once their nonattendance has been verified and an administrative drop is processed. The student will also be responsible to pay any fees, fines, or penalties on their student account which are related to their attendance at The University of Toledo during any given academic period. Failure to pay by the appropriate due date may result in the University filing an unfavorable report with credit bureaus or forwarding the account to the Ohio Attorney General's Office for collection.

**SELECTIVE SERVICE** - Male students over the age of 26 who have not registered with the Selective Service System must contact their Registration Information Office at 1.888.655.1825 for further instruction. Section 3345.32 of the Ohio Revised Code requires that all male students at any state college or university between the ages of 18 and 26, who are Ohio residents, must register with the Selective Service System and file a statement of their selective service status. Failure to do so will result in a non-resident tuition surcharge. Registration for Selective Service is available online at [www.sss.gov](http://www.sss.gov) at any U.S. Post Office, or by selecting the appropriate check box on the Federal Student Financial Aid form (FASFA).

## Add/Drop - Schedule Adjustments

All course registration after the fifth weekday of the fall and spring semester MUST be done in person at the Rocket Solution Central Office, Rocket Hall, Room 1200. The time for summer schedule changes and course registration is proportional to the length of the summer part of term.

**Add/Drop Period** - The add/drop period is typically through the 15th calendar day of the term during the fall and spring semesters (15 week term). The add/drop period for summer and all semesters/part of terms that are not at least fifteen weeks in length shall be reduced proportionately. See the Registrar's Office webpage for the calendar of add/drop and withdrawal dates.

**Add/Drop Fee Adjustments** - Fall and spring add/drop fees are assessed according to the cumulative total of credit hours added and dropped during each respective refund percentage period.

## Dropped Course Credit

**Tuition, Out of State Surcharge, General Fees** - Students who drop classes for any reason will receive a proportional refund.

**Dropped Course Credit/Refund** - Dependent on length of part of term - Part of term refers to the length of time a course is offered within the semester; e.g., all courses that are eight weeks in length are in an eight week part of term. The refund periods within these parts of term are adjusted proportionally by the number of weeks the course is offered.

### Example Based on 15 Week Part of Term:

Through the first week of the semester	100%
8th – 14th calendar day	80%
15th calendar day	60%
16th – 21st calendar day (*Withdrawal grade with credit)	60%
22nd -28th calendar day (*Withdrawal grade with credit)	40%

- Withdrawal grade pertains to Non-Medical students

## Official Withdrawals

Students withdrawing from courses should consult the Financial Aid Office regarding the effect on financial obligations. Withdrawing from courses may have an adverse effect on financial aid benefits, scholarships, loan deferments, athletic eligibility, health insurance, veterans' benefits, degree requirements or other areas.

Students who decide not to attend or stop attending any or all classes for which they have registered must drop or withdraw from the course(s). Drops and withdrawals can be processed online through the myUT portal (provided there are no holds) and can also be processed at Rocket Solution Central (RSC) located in Rocket Hall, room 1200. Failure to drop or withdraw from a course for which a student has stopped attending may result in a grade of "F". Review specific drop and withdrawal dates on the calendar. Drop and withdrawal dates are prorated for flexibly scheduled courses that do not meet during the standard start/stop dates of the term.

Withdrawing from a course(s) will result in a grade of "W", which will appear on your official transcript. Once a withdrawal is processed, it cannot be rescinded. Based on the date of withdrawal, fees may or may not be adjusted. Since withdrawn courses reduce your enrolled hours, withdrawing from courses may have an adverse effect on financial aid benefits, scholarships, loan deferments, athletic eligibility, health insurance, veteran's benefits, degree requirements or other areas. If you are uncertain what effect withdrawing from the course(s) would have, it is recommended that you contact Rocket Solution Central.

**Medical Withdrawals** - Students who wish to discuss possible drop/withdrawal from classes for an illness or injury must contact the Office of the Registrar at 419.530.4845 by the last day of the semester. Further information and assistance will be provided at that time.

## Refund Policies

Courses canceled by the University will be refunded at 100%. All University refunds will be issued to the student as the account holder via authorized direct deposit to the bank account of the student's choice (either checking or savings) or by mail via University check. PLUS loan (parent loan) refunds are issued to the parent/borrower via University check to the address on the application. If during the Plus loan application process the parent elected for excess payment to go to the student, it will occur as described above.

Financial aid refunds may be available after financial aid processing is completed and enrollment status can be confirmed. Students enrolled in various parts of term courses may receive refunds in installments after attendance in all registered courses has been confirmed.

Title IV Federal Aid recipients who drop below half-time enrollment during the 100% refund period or withdraws completely from the University may not be entitled to a loan disbursement or a refund of loan funds.

If a Federal Direct Loan recipient drops below half-time enrollment during the expense period covered by the loan, ALL remaining disbursements will be canceled for that expense period.

The University of Toledo urges students to enroll in direct deposit which eliminates lost or stolen checks and is the safest, fastest and most efficient method students can use to receive their student account refund. Students can enroll and update direct deposit information via the MyUT Portal.

**Index of Key Terms Used in the Refund Schedule –**

"Official academic calendar" is the time period between the first official scheduled day of classes for the semester and the last official scheduled day of classes for the semester.  
 "Semester" is the designated time period in which a course is offered such as fall, spring or summer. The semester is defined by the number of weeks (including exams) scheduled.  
 "Week" is five consecutive weekdays that includes a Monday, Tuesday, Wednesday, Thursday and Friday.

**Determination of Refund/Credit** - The date used to determine the eligibility for a refund shall be the date the drop/withdrawal transaction is processed. Failure to attend class, giving notice to an instructor, stopping payment on a check which was used to pay fees or similar unofficial notice to any University office shall not be considered official notice of the student's intent to drop.

## Student Residency

**Ohio In-State Residency** - Ohio in-state residency is first decided during the admission application process. Students who are determined to be non-residents of the state of Ohio are required to pay the out-of-state tuition surcharge. To be reclassified as an Ohio resident, they must prove residency based on the Residency Rule as defined by the Ohio Revised Code (3333.31). According to the Ohio Administrative Code, the intent of the Residency Rule is "to exclude from treatment as resident...those persons who are present in the state of Ohio primarily for the purpose of receiving the benefit of a state-supported education." A formal application must be filed with the Residency Committee at least one month prior (30 days) to the beginning of the semester for which the reclassification is requested. (Note: Summer is considered one semester beginning with the first day of the summer term, not the first day of a particular part of term). No deferment of fees is possible because of a pending application and no retroactive reclassification will be granted.

**Michigan Reciprocity Agreement (Ohio/Michigan Agreement)** - Michigan and Ohio have entered into an agreement whereby The University of Toledo agrees to accept, at resident tuition rates, any resident of Monroe County (Michigan). Any student so admitted must meet all regular admission requirements of The University of Toledo, including those for the specific program for which admission was sought. Following the initial determination of residency status, any changes must be requested through formal application with the residency committee at least one month (30 days) prior to the beginning of the term for which the reclassification is requested. Eastern Michigan University agrees to accept Ohio residents at resident tuition rates.

Reciprocity requests must be made by the end of the registration period for the semester reclassification is sought. Applicants must submit proof of Monroe County (Michigan) residency (lease or mortgage for the past twelve consecutive months) and Michigan driver's license or voter registration for the immediate past 12-month period. Michigan reciprocity is not granted on a retroactive basis. Additional information regarding applications are available at the Office of Registrar's webpage. Applications are due prior to the beginning of the term for which reclassification is requested.

The general fee is required of all students registered for credit, Workplace Credit courses, audited and online learning courses. The general fee can vary by program.

Students paying the maximum (full time rate) are entitled to attend, free of charge or at a reduced admission fee, most activities sponsored by the Student Government, campus activities and all athletic events (student section), subject to seating limitations. Students paying less than the maximum may have limited access to UT functions and/or facilities.

These fees also support Student Abroad, Alcohol, Tobacco, and Other Drugs Prevention (ATOD), Counseling Center, Title IX, Multicultural Student Development, Student Activities, Marching Band, Night Watch, General Fee Reserve, Athletics and Cheerleaders, Fetterman Training Facility, Glass Bowl, Larimer Team Facility, Student Union, MyUT Pharmacy, Student Medical Center, University Transit Services, Student Recreation Center, Academic Enrichment, Student Services and Grad Student Support, Computer Learning Resource Center, and Student Health and Pharmacy Plan.

## Toledo Tuition Guarantee

The Toledo Tuition Guarantee Plan is a cohort-based, guaranteed undergraduate tuition program adopted in accordance with Ohio Revised Code §3345.48. It was approved by the University of Toledo's Board of Trustees on Dec. 18, 2017 and the Chancellor of the Ohio Department of Higher Education on Jan. 30, 2018.

New, degree-seeking undergraduate students who enroll at The University of Toledo for the first time beginning summer or fall semester 2018 will be the first cohort to participate in the Toledo Tuition Guarantee Plan. The Plan provides a fixed undergraduate tuition rate and fixed-rate fees for four years.

Fees included in the Tuition Guarantee are the general fee and miscellaneous student services fee. On-campus housing and meal plan rates also are guaranteed for four years. Students who reside more than 25 miles from campus are required to live on campus for their first two years. (Residence hall space cannot be guaranteed beyond a student's second year.)

College-specific fees, course fees, upper-level fees and the out-of-state surcharge for undergraduate students are not included in the Tuition Guarantee. Graduate students are ineligible for the Tuition Guarantee.

Under the Tuition Guarantee, undergraduate students are guaranteed the fixed rate for four years, which includes 12 consecutive (including summers) semesters, including any intersessions within that period. Students who take classes beyond their four-year guarantee period will pay the tuition rate set for the oldest unexpired cohort.

Students who take longer than four years to complete their degree because their program requires more than 126 hours for completion or is designed to take longer than four years because of required internships or co-ops will be granted a one-year extension of their guaranteed cohort period.

In addition, past due balances may be assessed collection costs and may be reported to national credit agencies, which may adversely affect a student's credit rating.

**Graduate Course Recertification Fee 0-1 Year** – A per course fee is assessed to graduate students approved for extensions of one year beyond the time limitation for the degree. The fee is assessed, for those courses on the plan of study which exceed the time limitation by one year or less and applied to a student's account at the time the Continuation of Matriculation form is approved.

**Graduate Course Recertification Fee 2+ Years** – A per course fee is assessed to graduate students approved for extensions greater than one year beyond the time limitation for the degree. The fee is assessed for those courses on the plan of study which exceed the time limitation greater than one year and are approved for recertification. Fees are applied to a student’s account at the time the Request for Time Extension and Course Recertification form is approved. Courses not approved for recertification and required to fulfill degree requirements, must be retaken - regular tuition and fees apply.

**Graduate Graduation Services Fee** – A one-time (per graduate degree program) fee is assessed prior to degree conferral. It is assessed the first time a student applies to graduate from the degree program. This is to cover services related to graduation and processing of documents required for culminating experiences including: theses, dissertations and projects.

## Student Health Coverage

If a student is required by their program/college to have health care coverage, the charge for student health care coverage will be placed on the student account. This coverage is required for students in the MD program and in the Colleges of Nursing, Pharmacy & Pharmaceutical Sciences, Health Sciences and for student athletes. If a student is an international student holding a J-1 visa and has a federal requirement for health care coverage, the charge for that coverage will be placed on the student account. The charge may be waived after the student provides evidence that they have other, comparable health care coverage/insurance. All other University of Toledo students may enroll voluntarily in the Student Educational Benefit Trust (SEBT)-Medical Health Services (MHS), a wholly owned subsidiary of Medical Mutual of Ohio by going to the SEBT website and providing your information and payment. Alternately, you may choose to purchase health care coverage through the Affordable Care Act federal exchanges or enroll on parent, spouse or family health care plans.

For those mandated to have health insurance, the insurance charge will be removed after your waiver request is completed *and approved*. The charge will remain on your account if you do not complete the process by the completion of the add/drop period of the standard part of term for the semester.

Any student who is not mandated to have health insurance in any given semester, but is registered for at least one credit hour at The University of Toledo, has the option of voluntarily enrolling in either Student Health Insurance Plan. However, you must pay the University insurance provider directly for your insurance premium. The fee CANNOT be added to your Student Account.

Plan and waiver dates are available on the UT Student Health Insurance website.

Please be sure to complete the waiver process if you have other comparable health insurance coverage by the due date. Printing out an account statement and crossing off the fee or simply not paying the outstanding balance will not waive the health insurance coverage and accounts are subject to late payment fees.

Housing pre-payment/deposit fee is required for new and returning students for each academic year. It is applied towards the first semester of occupancy. This fee can be refunded if cancelled by May 1<sup>st</sup>.

The Housing Contract is a legally binding agreement between you (“you” or “resident”) and The University of Toledo (“University”), a public institution of higher education (University), located at 2801 W. Bancroft Street, Toledo, Ohio 43606-3390. Once you have submitted and signed your housing application and it is accepted by the University, your Housing Contract is valid for the entire academic year (fall and spring semesters) and can only be canceled in accordance with these terms and conditions of the Housing Contract. These terms and conditions outline both your responsibilities and those of the University.

**Residency Requirement** - All first-year and second-year students who live outside of a 25-mile radius from the University are required to live on campus and participate in the meal plan program. In the event the University cannot provide a room or alternate housing, the housing and meal plan requirements will be excused, all rights and liabilities of the parties involved will cease.

If you no longer wish to live on campus, you will need to notify the Office of Residence Life in writing via your Rocket email to [reslife@utoledo.edu](mailto:reslife@utoledo.edu) or fax to 419.530.2942 by no later than 9 a.m. on the first day of classes to cancel your contract without being charged housing fees. Please note that cancellation fees may apply. If you do not plan to attend UT prior to the first day of classes, please login to the myUT portal and under the "New Student" tab select "New Student Not Planning to Attend" to complete the necessary steps to process your cancellation. If this is done by May 1, the housing deposit can be refunded. The housing application fee is non-refundable.

All fees, including but not limited to housing and meal plan charges, tuition, and other associated fees, are due and payable as required by the University. A resident will not be permitted access to University housing or meal plan funds, if the resident's balance is not paid in full or until an approved payment plan is in place. Should a resident default in complying with any payment dates for any of the resident's financial obligations, the University may seek any remedy in law or in equity, including specific performance of the resident's obligations or seek monetary recovery for damages. The resident agrees to pay all reasonable costs, attorney fees and expenses that are incurred by the University in enforcing this provision.
