Policy

The University of Toledo sponsors a single Pain Medicine Fellowship that while multidisciplinary is based in the Department of Anesthesiology. Under the leadership of the Department of Anesthesiology, the Departments of Neurology, Psychiatry, and Physical Medicine & Rehabilitation shall cooperate to ensure that the program attains its stated goals and objectives.

Purpose

To ensure the coordinated efforts and utilization of resources leading to a successful multidisciplinary Pain Medicine Fellowship.

Procedure

The Department of Anesthesiology at the University of Toledo shall be the primary sponsor of the multidisciplinary Pain Medicine Fellowship.

The Program Director, who shall be a member of the Faculty of the Department of Anesthesiology, shall appoint a Fellowship Committee consisting of at least one faculty member (including him/herself) of each sponsoring and co-sponsoring department.

This Committee will regularly review the program’s resources and make recommendations concerning such resources to the respective Chairs of each co-sponsoring Department, the Graduate Medical Education Committee (GMEC), and the University of Toledo Medical Center as appropriate.

Additionally, the Committee shall regularly review whether or not the Fellowship is attaining its goals and objectives and make such recommendations as necessary to the Program Director, respective Chairs, and GMEC as needed.
