(A) Policy statement

The University of Toledo Army ROTC program is committed to assisting its Cadets (students) in becoming future Army Officers as Second Lieutenants. In an effort to improve Cadet/student success, UToledo and the ROTC / Military Science Department will provide financial assistance for housing needs for those who qualify. Details of qualification criteria are outlined in the University College ROTC Housing Offset Incentive Procedure Letter (PL) dated April 29, 2020.

(B) Purpose of policy

The purpose of this policy is to establish procedural guidelines and requirements Cadets must meet in order to receive the ROTC housing financial offset incentive, which is not a guaranteed incentive. The housing financial offset incentive is awarded each semester and is subject to change based upon availability of funds. Refer to PL dated April 29, 2020 for more details.
