Additional provisions applicable to all employees and faculty

1. Vacation leave is accrued during the time an employee is on active pay status including holiday time, sick time and vacation time, but is not accrued while on unpaid leave of absence.

2. Vacation leave will not be charged for holidays or closings which are officially designated by the university.

3. Employees must observe the university’s holiday and work schedule – not the academic holiday and break schedule.

4. Scheduling of vacation is the responsibility of the supervisor/manager and will be considered for approval whenever possible provided it does not hinder the departmental operations.

5. A vacation holding account was defined as an account used to temporarily store vacation hours. The University utilized vacation holding accounts under special circumstances, e.g. when reducing the maximum accrual under this policy. No new vacation holding accounts may be created.

6. Vacation request:
   a. Employees intending to take vacation shall request vacation and obtain approval by the appropriate vice president, dean, director, or supervisor in advance.
   b. All paid vacation leave approved and taken must be supported by a balance available that is equal to or more than the vacation leave requested at the time it is taken.
   c. Employees with a balance in their holding account will have any approved vacation time deducted from their holding account first. Once the holding account is exhausted, approved vacation time will be deducted from the regular vacation account.

7. Position change:
   a. Employees with at least one year (fifty-two weeks) of service with the University of Toledo who are changing from a position that allows a higher maximum vacation accrual to a position that allows a lower maximum vacation accrual will have all accrued unused vacation hours above the new maximum accrual of the new position paid to them at their rate of pay of the position from which they are transferring.
(i) For employees changing from a position that allows a lower maximum vacation accrual to a position that allows a higher maximum vacation accrual and who have a holding account at the time of the change in position, the vacation balance in their holding account will be transferred into their regular vacation balance up to the new maximum accrual.

(ii) Any approved vacation time taken will be processed and applied as noted under (B) (5) (f) of this rule.

(iii) Employees will earn vacation according to the accrual rate that is applicable to the new position effective the date of the change in positions.

(8) Vacation payout:

   (a) Upon separation of employment with the University of Toledo or change in status from twelve month faculty appointment to a nine month faculty appointment:

      (i) Employees regular balance and holding account balance will be combined for a total of unused accrued vacation hours.

      (ii) Employees with at least one year (fifty-two weeks) of the University of Toledo service are eligible for compensation for all unused accrued vacation leave not to exceed the maximum hours indicated under this policy at their rate of pay at time of separation.

      (iii) Any eligible payment for unused accrued vacation leave will be processed within twenty-eight (28) days of the last regular pay.

      (iv) Final payment for unused accrued vacation leave is not subject to retirement system contributions and is not considered compensation to the employee in determining “final average salary” for retirement. However, the final payment for unused accrued vacation leave is subject to all applicable taxes.

      (v) In no case may vacation time be added to the last day worked to extend service. The last day actually worked will be used as the last day of employment.
