(6) Additional provisions applicable to all employees and faculty:

(a) Vacation leave is accrued during the time an employee is on active pay status including holiday time, sick time and vacation time, but is not accrued while on unpaid leave of absence.

(b) Vacation leave will not be charged for holidays or closings which are officially designated by the university.

(c) Employees must observe the university’s holiday and work schedule – not the academic holiday and break schedule.

(d) Scheduling of vacation is the responsibility of the supervisor/manager and will be considered for
approval whenever possible provided it does not hinder the departmental operations.

(e) Employees with a vacation balance above the new maximum accrual on the effective date and under this policy will have their overage hours placed into a holding account.

(f) Vacation request:

(i) Employees intending to take vacation shall request vacation and obtain approval by the appropriate vice president, dean, director, or supervisor in advance.

(ii) All paid vacation leave approved and taken must be supported by a balance available that is equal to or more than the vacation leave requested at the time it is taken.

(iii) Employees with a balance in their holding account will have any approved vacation time taken deducted from their regular vacation balance allowing employees to continue to accrue up to the new maximum under this policy. Employees may, however, request the vacation time taken be deducted from their holding account instead of their regular vacation balance. Employees must send the request within two weeks of taking the approved vacation time to the payroll department and include actual dates and hours to be deducted from the holding account.

(g) Position change:

(i) Employees changing from a position that allows a higher maximum vacation accrual to a position that allows a lower maximum vacation accrual will have all accrued vacation hours above the new maximum accrual of the new position placed into a holding account at the time of the change in position.

(iii) Any approved vacation time taken will be processed and applied as noted under (B) (5) (f) of this rule.

(iv) Employees will earn vacation according to the accrual rate that is applicable to the new position effective the date of the change in positions.

(h) Vacation payout: upon separation of employment with the University of Toledo or change in status from twelve month faculty appointment to a nine month faculty appointment:

(i) Employees regular balance and holding account balance will be combined for a total of unused accrued vacation hours.

(ii) Employees with at least one year (fifty-two weeks) of the University of Toledo service are eligible for compensation for all unused accrued vacation leave not to exceed the maximum hours indicated under this policy at their rate of pay at time of separation.

(iii) Any eligible payment for unused accrued vacation leave will be processed within thirty days of separation.

unused accrued vacation leave is subject to all applicable taxes.

(v) In no case may vacation time be added to the last day worked to extend service. The last day actually worked will be used as the last day of employment.
