**(A) Policy Statement**

The University of Toledo is focused on the overall growth and development of its students in preparation for them to become global citizens. The Office of Student Conduct and Community Standards aims to educate students on the impact their personal and social choices, and behavior have on the community, and to assist them with making future decisions that lead to their professional success.

The University of Toledo (“University”) in promulgating the “Student Code of Conduct,” as required by Ohio Revised Code 3345.21, and as set forth below, takes into consideration the rights and responsibilities of the individual student(s), student groups, or student organizations, concurrently with university and community rights and responsibilities.

**(B) Purpose of the Policy**

The Student Code of Conduct articulates the University’s expectations of behavior for students, student groups, and student organizations and the potential outcomes to be imposed for inappropriate conduct. This policy explains the University’s requirements for notice, and the student, student groups, and student organizations opportunity to be heard with regard to alleged violation(s) of the Student Code of Conduct. The Student Code of Conduct is not intended to be exhaustive in terms of defining all acts of misconduct. The Student Code of Conduct specifies the rights and responsibilities of students, student groups, student organizations, the university, and the rights of other parties going through the Student Conduct Process.

Students, student groups, and student organizations are expected to engage in conduct that represents the mission, vision, and values of the university.

Sanctions implemented through the Student Conduct Process are designed to provide students, student groups, and student organizations with the opportunity to accept responsibility, provide accountability, reflect on their choices, challenge their decision-making processes, and assist them in changing their behavior to better align with the University’s expectations. Being a member of the UT Community is a privilege. Actions by students, student groups, or student organizations that interfere with the welfare and/or safety of the UT Community are not acceptable, and will not be tolerated.

**(C) Definitions**

- (1) Appellate Officer: University official authorized to review and determine an appeal from the respondent and complainant.
- (2) Associate Dean of Students & Director of Student Conduct and Community Standards: The person designated by the Vice President of Student Affairs for daily operation of the Student Conduct Process.
- (3) Business Days: Monday through Friday, excluding Saturday, Sunday, recognized University holidays, and approved University breaks.
- (4) Complainant: Person, student group, student organization who was subject to alleged misconduct as described in the Student Code of Conduct. There may be more than one complainant for an incident.

- (5) Consent: Requires unambiguous communication and mutual agreement concerning the act in which the participants are engaging. Consent must be informed, freely given, mutual, and can be withdrawn at any time. A person cannot give consent if they are mentally or physically incapacitated or impaired such that the person cannot understand the fact, nature, or extent of the sexual situation; this includes impairment or incapacitation due to age; alcohol or drug consumption; or, being asleep or unconscious. Similarly, a person cannot give consent if force, expressed or implied is used; or if, duress; intimidation; threats; or, deception are used on the complainant. Silence or the absence of resistance does not imply consent. Consent to some sexual acts does not imply consent to other acts, nor does prior consent to sexual activities imply ongoing future consent with that person or consent to that same sexual activity with another person. Whether an individual has taken advantage of a position of influence or authority over the complainant may be a factor in determining consent. Minors under the age of 16 are incapable of giving consent under Ohio law under any circumstances.
- (6) Disciplinary Hold: An administrative hold placed on a student's account by a member of the Office of Student Conduct and Community Standards that prevents the student from registering/unregistering from classes, and receiving a transcript.
- (7) Incapacitation: Occurs where a person is unable to give consent, such as due to the use of drugs or alcohol or a cognitive impairment. In considering whether a complainant is incapacitated due to the consumption of drugs or alcohol, the University will consider the circumstances, including factors such as whether there is evidence of slurred speech, vomiting, stumbling or the inability to walk, or periods of "blacking out." The presence of one of these factors, standing alone, may not be sufficient to establish incapacitation; the totality of the circumstances must be examined.
- (8) Investigator: Any university official gathering information for a hearing authority to determine whether a violation of the Student Code of Conduct has occurred.
- (9) Policy: Any written rule or regulation of the University as found in, but not limited to, the Student Code of Conduct, Residence Hall Living Guide, Student Organization Manual, the University Policy Website, and Graduate/Undergraduate Catalogues.
- (10) Possession: Includes, but is not limited to, holding, no matter the duration, any prohibited item wherever located.
- (11) Preponderance of the Evidence: Standard of review for alleged violation(s) of the Student Code of Conduct. This standard requires that the information utilized shows that it is more likely than not that the alleged violation(s) or behavior(s) occurred.
- (12) Respondent: Any student, student group, or student organization alleged to have committed a violation of the Student Code of Conduct. In cases of student groups or student organizations, the president of the group/organization (or a like position) will represent the group/organization in the Student Conduct Process.
- (13) University Conduct Board/Title IX Board: Person(s) authorized by the Office of Student Conduct and Community Standards to determine whether a student, student group, or student organization is responsible for violating the Student Code of Conduct, and recommending appropriate sanction(s) when a violation has occurred. The Associate Dean of Students & Director of Student Conduct and Community Standards (or designee) will

select a Board Member to chair the hearing.

- (14) Student: All persons who have been notified of their acceptance, expressed intent to, and/or have registered for classes, or otherwise entered into any other contractual relationship with the university to take instruction. This includes, but is not limited to all individuals taking classes in person or through distance learning, pursuing undergraduate or graduate degrees, or who reside in University-owned housing or who live off-campus, who are not enrolled for the current term, but have a continuing relationship with the university. Student status ceases when an individual graduates, is not enrolled for two consecutive semesters, or an individual who is suspended, dismissed, or expelled for any reason.
- (15) Student Group: A number of persons who are associated with the University and each other, but who have not registered, or are not required to register, as a student organization (included, but not limited to athletic teams, clubs not registered as a student organization).
- (16) Student Organization: A number of persons who have registered with the University as a student organization, (including, but not limited to clubs, fraternities, and sororities).
- (17) University Community: Includes the university, any person who is a student, staff member, faculty member, employee, volunteer, patient, guest, invitee, or other person associated with the university.
- (18) University Official: Any person employed by the university, on a full-time, part-time, or temporary basis, performing assigned administrative or professional responsibilities.
- (19) University Premise: Includes all land, buildings, facilities, and other property in the possession of, or owned, leased, used, supervised, or controlled by the university.
- (20) Use: Includes, but is not limited to drinking, ingesting, or introducing any amount of substance into one's body.
- (21) Witness: Any person requested to participate in an investigation or a hearing due to information they may have about an incident of alleged misconduct. The complainant, respondent, and others may provide the University with witness names.
- (22) Written Notification: All correspondence will be sent via e-mail to your UT E-Mail Address. Should an individual not have a UT E-Mail Address, agreement will be made as to the best source of contact (other e-mail address provided in writing).

Quorum for the T9B is three (3) Faculty and/or Staff members. A board member selected by an OSC&CS Staff Member will chair the T9B Hearings. All board members, including the chair, will have voting rights. The T9B is advised by an OSC&CS Staff Member, determines responsibility, and recommends sanction(s) to the Associate Dean of Students & Director of Student Conduct and Community Standards (or designee). The Associate Dean of Students & Director of Student Conduct and Community Standards (designee) will review the sanction recommendation(s), and impose sanctions within a reasonable amount of time after the date of the hearing.

(5) Information Meeting

- (a) Any student, student organization, or student group (referred to as respondent from this point forward) who has been charged with an alleged violation of the Student Code of Conduct will have the opportunity to meet with a hearing authority from the OSC&CS, the ORL, or the HAV.
- (b) The respondent will receive written notification with the date, time, and location of the Information Meeting. The written notification will provide the respondent with at least three (3) business days notice.
- (c) The written notification will also include the alleged violation(s), a brief summary of the incident and/or a copy of the incident report (if applicable), a statement of rights and responsibilities, and if appropriate, a statement notifying the respondent that if found responsible for the alleged violation(s), they may face suspension or expulsion.
- (d) During this meeting, the hearing authority will review the parties rights and responsibilities, provide them with an opportunity to review the documentation and information received, accept or deny responsibility for the alleged violation(s), and, if appropriate, select a resolution option.
- (e) In cases involving sexual misconduct or retaliation based on sex discrimination –
- (i) The complainant will be copied on the written notification to the respondent, and the respondent will be copied on the written notification to the complainant.
  - (ii) The complainant will have their own separate Information Meeting. This meeting will explain the remainder of the process, and prepare the complainant for the hearing.
  - (iii) The respondent and complainant will both be given the opportunity to select their hearing authority. Their option is to have their case adjudicated by a single hearing officer from the OSC&CS or the T9B.
  - (iv) If the respondent and complainant select the same hearing authority, the case will be adjudicated by the hearing authority they selected.
  - (v) If the respondent and complainant select different hearing authorities, the case will automatically be referred to the T9B for adjudication.
- (f) In cases that the respondent’s behavior resulted in a complainant being harmed by the respondent’s misconduct –

- (i) The complainant will be copied on the written notification to the respondent, and the respondent will be copied on the written notification to the complainant.
- (ii) The complainant will have their own separate Information Meeting. This meeting will explain the remainder of the process, and prepare the complainant for the hearing.
- (iii) The respondent and complainant will both be given the opportunity to select their hearing authority. Their option is to have their case adjudicated by a single hearing officer from the OSC&CS or the UCB.
- (iv) If the respondent and complainant select the same hearing authority, the case will be adjudicated by the hearing authority they selected.
- (v) If the respondent and complainant select different hearing authorities, the case will automatically be referred to the UCB for adjudication.

(6) Types of Hearings

- (a) Administrative Review – This is an informal resolution option utilized for minor violations. An Administrative Review may take place immediately following the Information Meeting, or can be scheduled for a date and time that is convenient for both the hearing authority and the respondent. This meeting is a discussion between the respondent and the hearing authority regarding the respondent’s behavior, decision making, and choices. Following this meeting, the hearing authority may contact other parties who may have knowledge of the incident in order to make a decision about whether the respondent is responsible for alleged violation(s), and determine sanction(s) if applicable. During an Administrative Review, the respondent will not be allowed to call witnesses or bring forth additional information. Because of this, this meeting option is not available for respondents who are facing suspension and expulsion (university and residence halls). Administrative Reviews are not recorded. If the respondent does not attend, or attends the hearing and chooses not to participate, the hearing authority will adjudicate the case in absentia.
- (b) Administrative Hearing – A single hearing officer from the OSC&CS, the ORL, or HAV adjudicates this formal resolution option. Scheduled after the Information Meeting, the hearing authority and/or the respondent may involve complainant(s) and/or witnesses. If the respondent or complainant does not attend the hearing, or attends the hearing and chooses not to participate, the presiding hearing authority will move forward with adjudicating the case. To move forward with a hearing where the respondent is facing suspension/expulsion, and/or there are allegations of sexual misconduct, the complainant will be expected to attend, participate, and be cross-examined by the respondent.
- (c) The UCB/T9B – UCB/T9B Hearings are presided over by a member of the board designated as Chair. If the respondent does not attend the hearing, or attends the hearing and chooses not to participate, the board will adjudicate the case in absentia. To move forward with a hearing where the respondent is facing suspension/expulsion, and/or there are allegations of sexual misconduct, the complainant will be expected to attend, participate, and be cross-examined by the respondent. Each Board Hearing will be assigned an OSC&CS Staff Member to oversee the process, suggest relevant questions, explain policy, answer questions about process/procedure, and provide information on precedent. The OSC&CS Staff Member is not a voting board member.
- (d) The hearing notification for an Administrative Hearing, the UCB, or the T9B will be sent no more than thirty (30) business days after the Information Meeting in writing.
- (e) The hearing notification will include the date, time, and location of the hearing, the alleged violation(s), a statement of rights and responsibilities, and the name(s) of the

hearing authority.

- (f) The hearing notification will provide the respondent with at least eight (8) business days notice before the hearing.
- (g) In cases involving sexual misconduct, retaliation based on sex discrimination, or behavior resulting in a complainant being harmed by the respondent's misconduct, both the respondent and complainant will receive written notification to their UT E-mail accounts.

(7) Hearing Information

- (a) The purpose of a hearing is to provide respondent(s) an opportunity to have their case reviewed and decided upon using the preponderance of evidence standard (is it more likely than not that a violation occurred).
- (b) All hearings are closed to the public, with the exception of Advisors for the respondent and complainant (if appropriate). Parties directly participating in the hearing (respondent, complainant, OSC&CS Staff Member), may remain in the hearing the entire time. Witness(es) will only be present when speaking to the hearing authority.
- (c) Cases involving sexual misconduct, retaliation based on sex discrimination, or behavior resulting in a complainant being harmed by the respondent's misconduct, are also closed to the public, with the exception of Advisors for the complainant and respondent. Parties directly participating in the hearing (respondent, complainant, OSC&CS) may remain in the hearing the entire time. The witness(es) will only be present when speaking to the hearing authority.

(8) Advisors

- (a) Respondents and complainants may elect to have an Advisor throughout the Student Conduct Process. The Advisor can assist the respondent and complainant with hearing preparations, and can accompany them to all Information Meetings/Hearings.
- (b) The Advisor may not speak or participate in Information Meetings or Hearings. Advisors may consult with their respective advisee(s) verbally or in writing in a quiet, non-disruptive manner. If the Advisor(s) becomes disruptive after being warned two times by the Hearing Authority, they will be asked to leave.
- (c) Respondents and complainants whose Advisors are attorneys are required to notify the OSC&CS at least eight (8) business days before the Information Meetings or hearing.

(9) Witnesses, Pertinent Information, and Safety Concerns

- (a) Witnesses – The respondent and complainant are able to request a reasonable number of witnesses to present pertinent information and answer questions. Names, e-mail addresses, mobile phone numbers, and a brief explanation of why they are being requested to serve as a witness must be sent to the hearing authority for review and approval at least eight (8) business days before the hearing. The hearing authority will review the list of witnesses, and inform the parties if the witnesses are allowed to participate, and the rationale for the decision if they are not. In cases where the hearing authority is UCB or the T9B, the OSC&CS will review the list and respond on behalf of the board.
- (b) Pertinent Information – The respondent and complainant are able to submit pertinent information to the hearing authority. The information and a brief explanation of why the information is being submitted must be sent to the hearing authority for review and approval at least eight (8) business days before the hearing. The hearing authority will review the information, and inform the respondent and complainant if it is

allowed, and the rationale for the decision if it is not allowed. In cases where the hearing authority is UCB or the T9B, the OSC&CS will review the list and respond on behalf of the board.

- (c) The Hearing Authority may accommodate safety concerns during the hearing by providing appropriate accommodations for the respondent, complainant, or witnesses. Requests for these accommodations must be submitted to the OSC&CS via e-mail (StudentConduct@utoledo.edu) at least eight (8) business days before the hearing. The OSC&CS will work with the hearing authority to address and accommodate the safety concerns.
- (10) Hearing Authority Bias – The respondent or complainant may challenge a hearing authority on the grounds of bias. Challenges must be submitted in writing at least eight (8) business days to the OSC&CS (StudentConduct@utoledo.edu), and must specify information to support a bias. The challenge will be reviewed by a professional staff member in the OSC&CS. If the challenge has merit, the reviewer will assign a new hearing authority.
- (11) Hearing Procedures
- (a) The Hearing Authority will record Administrative Hearings, UCB Hearings, and T9B Hearings. The recording will be turned on at the start of the hearing, and turned off before deliberation. This record will be the property of the university.
  - (b) In cases involving sexual misconduct, retaliation based on sex discrimination, or behavior resulting in a complainant being harmed by the respondent's misconduct, the respondent and complainant may submit suggested questions to the Hearing Authority before the hearing to be asked by the Hearing Authority at the hearing.
  - (c) The Hearing Authority will begin the hearing by reading a procedural statement.
  - (d) Each party in the hearing will introduce themselves, and their role in the hearing.
  - (e) The Hearing Authority will review the alleged violation(s), and the respondent will indicate acceptance or denial of responsibility.
  - (f) The investigator(s) (if applicable) will present a summary of the investigation to the hearing authority. The hearing authority, the complainant, and the respondent will ask questions of the investigator.
  - (g) The complainant (if applicable) will provide the hearing authority with a summary of their role, and a statement of what happened from their perspective. The hearing authority and respondent will ask questions of the complainant.
  - (h) Relevant witnesses from the university, complainant (if applicable), and respondent will each have an opportunity to share information with the hearing authority concerning the alleged violation(s). Each witness will be questioned by the hearing authority, the complainant (if applicable), and the respondent. Witnesses are not allowed to stay for the entire hearing, and will depart after they have shared their information, and answered questions by the parties listed above.
  - (i) The respondent will provide the hearing authority with a summary of what happened from their perspective. The hearing authority and complainant (if applicable) will ask questions of the respondent.
  - (j) The complainant (if applicable) and respondent will each have the opportunity to make closing comments before the hearing authority begins deliberation.
  - (k) Deliberation is closed, and is not recorded. The hearing authority will determine, using the preponderance of evidence standard, if the respondent is responsible for the alleged violation(s). If the hearing authority determines the respondent is responsible for the alleged violation(s), the respondent will receive sanction(s). When the hearing authority is UCB or the T9B, decisions regarding responsibility, and

recommendations regarding sanction(s) are made by a majority vote.

- (12) **Coaching Meetings**
- (a) When a student, student group, or student organization's behavior is not a violation of the Student Code of Conduct, but warrants additional follow-up, the Associate Dean of Students & Director of Student Conduct and Community Standards (or designee) may hold a Coaching Meeting.
  - (b) Coaching Meetings will be held at the discretion of the Associate Dean of Students & Director of Student Conduct and Community Standards, and are not guaranteed to the student, student group, or student organization.
  - (c) Coaching Meetings are individual meetings completed by hearing authorities from the OSC&CS, the ORL, or HAV. A student, student group, or student organization will be notified of the subject of their Coaching Meeting, and the date/time/location of the meeting.
  - (d) During these meetings, the student or student representative (for student groups and organizations) is provided with skills, strategies, and resources to help them reflect on their behavior, and make the appropriate changes to support their growth and development.
  - (e) These meetings will be documented by the hearing authority, and will be considered a part of the student, student group, student organization's conduct history.
- (13) **Conflict Resolution Options**
- (a) Based on the nature of the incident, and the willingness of the complainant/harmed party and the respondent, the Associate Dean of Students & Director of Student Conduct and Community Standards may recommend that an incident be handled using a conflict resolution option (mediation, conflict coaching, facilitated dialogue, restorative justice). A person chosen by the OSC&CS who has been trained appropriately will conduct the conflict resolution options.
  - (b) Conflict resolution options will not be utilized unless both the respondent and complainant/harmed party have attended a consultation meeting to discuss the incident, learned about the selected conflict resolution option, and have agreed to participate. A conflict resolution option that is unsuccessful may be forwarded back to the Student Conduct Process for resolution.
  - (c) Conflict Resolution Options will not be utilized when addressing sexual misconduct cases and/or complaints of violence.
  - (d) The Associate Dean of Students & Director of Student Conduct and Community Standards may also suggest that complaints that do not involve a violation of the Student Code of Conduct utilize a Conflict Resolution Option.
