NURSING SERVICES GUIDELINE 6CD INPATIENT DETOX UNIT

Guideline: Admission Criteria

Policy Number Superseded:

Responsibility: Program Director/Charge

Nurse/Designee

<u>Purpose of Guideline</u>: The process for admission to the detox unit is based on each patient's intake assessment, to assure that patients are admitted to the detox unit in a legal and appropriate manner.

Effective Date: April 2025

Initial Effective Date:
August 2017

Procedure:

Criteria, Intake Assessment, and Referrals

- (A) Criteria
 - (1) Must be 18 years or older.
 - (2) Must be voluntary (patient must be own person and not have a court appointed legal guardian).
 - (3) Must be substance dependent, requiring medical supervision throughout the detoxification process.
 - (4) Must be mentally stable (will not accept persons who are suicidal/homicidal). No pink slip/involuntary status for the past 24 hours.
 - (5) Must be willing to follow all unit rules and participate in treatment.
 - (6) Must be willing to participate in outpatient treatment after discharge.
 - (7) Must be ambulatory and able to provide own activities of daily living.

*Pregnant females will <u>not</u> be accepted

- (B) Intake Assessment
 - (1) Completed on all patients by a licensed healthcare worker.
 - (2) Completed prior to admission to determine if patient meets criteria.

2

Admission Criteria

- (C) Referrals. Three types of referrals.
 - (1) Self Patient calls seeking treatment.
 - (a) Staff completes intake assessment.
 - (b) Staff determines if patient meets criteria, gives appropriate recommendation.
 - (c) Staff verifies insurance and whether a pre-certification is required.
 - (d) Staff schedules an admit date and time.
 - (2) Agency Agency calls on behalf of their client.
 - (a) Staff completes a Mini Assessment form.
 - (b) Staff requests faxed information.
 - (c) Staff follows up with agency and patient to arrange complete assessment and /or admission date and time.
 - (3) Non-professional Family or friends call to get someone help.
 - (a) Staff gives information about our program.
 - (b) Staff requests that the patient calls to complete intake assessment.
