**(A) Policy Statement**

Providers who require supervision of their clinical service will be assigned a supervisor.

**(B) Purpose of Policy**

To ensure that supervision is in accordance with state licensure standards.

**(C) Procedure**

1. Education and licensure will determine the extent of supervision needed by the provider.
2. Those providers who need supervision will be assigned a supervisor.
3. Time for supervision will be arranged between the supervisor and the supervisee.
4. Responsibilities and requirement for supervision will be determined in accordance with specific state rule and licensure standards.
