**(A) Policy Statement**

All QC testing specified in the MQSA regulations will be performed as outlined in the Responsibilities of the Day Shift Mammographer in the Mammography Credentials book. It is the responsibility of the QA technologist to verify completion of all QC testing in accordance with the QC schedule.

**(B) Purpose of Policy**

To assure compliance with MQSA regulations.

**(C) Procedure**

As defined in the responsibilities of the day shift mammographer, all QC testing should be completed at the assigned dates and times. If any of the items/duties are not within limits or do not meet requirements, corrective action must be done immediately.

Failure to adhere to department policy will result in corrective disciplinary actions for all those individuals involved.
