

STUDENT RESOURCE II: **Going further with exploring this historical place**

Examine the references to location that you identified in the Henry Keiser's 1863 journal entry (Student Resource I).

1. What questions do you have about the description of this place? (For example, do you know what all of the terms mean, such as "knoll" and "underbrush"?)
2. Describe your image of the scene using examples from the text to support your description.
3. Using the map provided, draw a circle around where you think this place is located.
