

STUDENT RESOURCE IV: **Group Perspective on Gettysburg Maps**

Working in a group with students, who examined the same map of Gettysburg that you did, please address the following tasks and questions.

1. Compare your responses to the questions with other members in your group. What were the major differences in your responses? List those here (but there is no need to add to or change your original answers).
2. Create a group description of your assigned map, including the title, purpose, and how your map compares to the Henry Keiser's journal entry description of Gettysburg. Write it here and be prepared to present it to the rest of the class.

This question relates to the group presentations of different maps to the class.

3. In comparing and contrasting the different groups' maps, list the similarities and differences to your assigned map in this table. You can write "Our Map" in the spaces next to yours:

	Similarities	Differences
1863 Sketch of the battlefield of Gettysburg		
Bachelder 1863 Gettysburg battle-field		
Reed 1863 Plan of the Gettysburg battle ground		
Sneden& Birney 1863 Copy of official plan of Gettysburg		
Sneden 1863 Cavalry battle, Gettysburg		

4. Finally, which map most closely resembles your perceptions based on the description by Henry Keiser? Explain why.
