Discuss: Can you find these jobs close to school? Is there another neighborhood that has more or fewer of these kinds of jobs?

D. Challenge: Working in small groups, identify a specific local job opportunity and describe its characteristics (no training needed, flexible, easy to get to, poor pay, easy to be hired, etc.).

Discuss whether you consider this a good job for a young person in your high school? Why or why not?

Who are the people and groups that can help youth find and keep jobs?
