

FAQS

Club Sports vs. Intramural Sports

Club Sports are UToledo Registered Student Organizations (RSO's) that compete both on and off campus. Club Sports have state, regional, and national competitions throughout the academic year where they compete against other Universities. Club Sports are an umbrella organization under Recreational Services.

Intramural Sports are recreational sports/activities that take place among UToledo students, faculty, and staff. Competitions take place on the UToledo campus and sports/activities may range from one-day events to 4-6 week leagues.

What Club Sports do you offer?

A list of each club sport and their contact information are listed on the Club Sports homepage. Please [CLICK HERE](#) to view.

Who can participate?

Any current, full-time, graduate or undergraduate student may be a part of a club sport. Club Sport participants *cannot* currently be on an active varsity roster.

*Any student who is not a full-time student must be approved by the Assistant Director, Programs and Leadership Development.

How do I sign up for Club Sports? Are there tryouts?

Some Club Sport teams will host try-outs to determine their rosters, due to the consistent turnover with graduation(s) and various other commitments. Each Club Sport Teams maintains a roster and a few teams host try outs, but most do not.

Try our dates and times may vary per team, so you should contact the president directly (via InvoNet) regarding your interest. If you don't get a response please email ClubSports@utoledo.edu.

Can I play more than one sport?

You can play more than one sport but please realize that each club sport requires a separate time commitment.

The level of commitment varies per Club Sport. Club Sport teams practice anywhere from 1-4 times per week for an average of two (2) hours per practice. Depending on the competition season, Club Sports may travel or compete 2-10 times per semester.

How much does it cost to join a Club Sport?

Membership dues vary from Club to Club. Membership dues are used to assist with the operating costs of the club. Depending on the Club, dues may vary from \$15-\$2,500 per year.

How do I create a Club Sport?

The first step is to register as a New Student Organization. Information on starting a New Student Organization can be found on the Office of Student Involvement webpage <http://www.utoledo.edu/getinvolved/newstudentorganization.html>. While completing registration, indicate that you would like to be considered a Club Sport. A meeting with the Assistant Director, Programs and Leadership Development will follow.
