

FAQs for Interested Players

Q: How can I try out for a team?

A: By joining our discord and checking the announcements tab or filling out the interest form on the UToledo Rec Website. Discord link:

<https://discord.gg/tXSQSVtfeA>

Q: When are tryouts?

A: Tryouts for the Fall semester are held over the summer, and tryouts for the Spring semester are held in the Fall. If you join the discord after tryouts, message bumboola on discord and we'll see what we can do.

Q: When does each team play?

A: The ESC has designated Rocket League and Valorant for the fall, and League of Legends and Overwatch for the spring.

Q: How many people are on each team?

A: We like to have a full roster and a full backup roster for each team. Ex: there are 3 starters for Rocket League, so the full Varsity Rocket League team will consist of 3 starters and 3 backups.

Q: What are the rank requirements for each team?

A: There are no rank minimums for any of our teams. We encourage players of all ranks to come to tryouts. A player with a lower rank may have better chemistry than those with a higher rank - you never know.
