- UH University Hall
- WA Westwood Annex
- WO Wolfe Hall
- WR West Parking Ramp

During your scheduled move-in time, residents of Parks Tower should enter the main campus through the East Entrance (off Douglas Road).

Residents should then temporarily park their vehicles at the drop-off location to unload.

Gray moving bins and volunteers will be available to help you transport items to your room.

Once your vehicle has been unloaded, please have a driver move the temporarily parked vehicle to Area 9 or 10 before returning to Parks Tower.
