HOW TO GET THE MOST OUT OF THE MAJORS FAIR

BEFORE

★ Read information about different majors that interest you in the General Catalog, on the web, and at the Career Library (SU 1532).
★ Prepare the questions you would like to ask at the fair (look below for examples).

DURING THE FAIR

★ Take charge and take advantage of the opportunity to learn more about majors and careers.
★ Take the initiative and explore all your options!
★ Ask relevant questions that may help you decide:
  ★ What types of classes are required for (insert major)?
  ★ What projects and assignments will I be asked to complete?
  ★ Are classes concentrated in one department, or are they spread across several departments?
  ★ What internships, co-ops, practicum experiences, volunteer work or other out-of-class experiences are required or recommended?
  ★ Is there assistance available to locate appropriate internships or other relevant experiences?
  ★ Are there any student organizations or pre-professional associations connected to this major?
  ★ What types of jobs do people get after graduating with this major?

AFTER

★ Further research the majors and careers you find interesting by contacting College Advisors or the Office of Career Services for additional information about majors and careers.
