

Applications will be available on the TOLEDO EXCEL website and at all eligible schools.

Completed applications must be received by Friday, April 1, 2022.

TOLEDO EXCEL Application

Requirements and Procedures

- Student must be in the 8th grade and attend school within the Toledo city limits (including all public, private or charter schools).
- Have a 3.0 or above GPA and score at or above grade level on standardized test scores.
- Be from one of the following underrepresented groups: African-American, Appalachian, Arab-American, Asian-American, Hispanic-American, low-income (free or reduced lunch), Multiracial, Native-American.
- Fill out and sign the front page (personal information) of the application; and have a school representative (counselor, principal or teacher) fill out and sign the back page of the form (grade and test score information).
- Write a 250 word essay on "Why I Want to go to College" and attach it to the application form.

The school representative will then mail in both pages of the completed application form and the essay to:

Attn. Mr. Dan McGuire TOLEDO EXCEL 2801 W. Bancroft Street MS 102 Toledo, Ohio 43606-3390

All applications must be received by Friday, April 1, 2022.

TOLEDO EXCEL STUDENT APPLICATION

TOLEDO EXCEL is a scholarship Incentive Program of The University of Toledo, serving talented students from groups traditionally underrepresented in higher education including African-, Appalachian-, Arab-, Asian-, Biracial-, Hispanic-, Native-American, and low-income (free or reduced lunch) students from the Toledo area who aspire to a university education and have ambitious career goals. Beyond the scope of providing scholarships, EXCEL promotes diversity, equity, and social justice. It is expected that TOLEDO EXCEL students will attend The University of Toledo.

The purpose of this program is to encourage scholarship, improve academic performance, and increase the cultural sensitivity of these young people in the community. TOLEDO EXCEL will identify, assist, and support promising eighth graders throughout their years in high school and college by providing them with skills for success in higher education and future careers. After successful participation in educational and cultural activities during high school, students become eligible for TOLEDO EXCEL scholarships to be used only at The University of Toledo. Scholarships offered to EXCEL students amount to the difference between the financial aid (grants) each student will be eligible to receive from federal, state, and other sources, and the cost of instructional (tuition) and the general fee.

To be considered you must: 1) Be an 8th grader attending school within the city of Toledo, 2) Have approximately a "B" grade average, 3) Have standardized test scores reflecting at least eighth grade performance, 4) Submit a two paragraph essay on "Why I Want To Go To College," and 5) Commit yourself to getting involved in school and civic activities during high school. Parents of students participating in the TOLEDO EXCEL program are expected to be actively involved via the parent component, and supportive of the program's purpose, goals and objectives. If interested, please complete the application below.
