

RECYCLER'S LIST

KT/LCB
KEEP TOLEDO/LUCAS COUNTY BEAUTIFUL, INC.

KEEP AMERICA BEAUTIFUL AFFILIATE

1011 Matzinger Road, Toledo, Ohio 43612

Phone: 419.213.2255

Fax: 419.213.2201

For the most up-to-date version of this list visit:

www.ktlcb.org

Find us on Facebook!

**The Recycler's List is provided as a guide for recycling and proper disposal opportunities, in and around Lucas County.
This list is subject to change at anytime.**

Keep Toledo/Lucas County Beautiful, Inc.

1011 Matzinger Rd.
Toledo, OH 43612
Phone: 419-213-2255
FAX: 419-213-2201
www.ktlcb.org

Mission:

Keep Toledo/Lucas County Beautiful, Inc. (KT/LCB) is dedicated to establishing greener communities through environmental education, litter prevention and voluntary partnerships.

Affiliation:

KT/LCB is a non profit 501 (c) (3) organization. We are an affiliate of Keep America Beautiful, Inc., the nation's leader in litter prevention, recycling, waste reduction and community beautification.

Purpose:

The ultimate goal is to raise awareness of solid waste handling options for businesses, organizations and residents so that each takes personal responsibility to improve our environment.

We offer services in the following areas:

- Classroom Presentations
- "Riley's Adventure" Puppet Show
- Temporary Trash/Recycling Boxes
- Volunteer Litter Collection Events
- Adopt-A-Street/Adopt-A-Road
- Correct Recycling Presentations

Lucas County Solid Waste Management District

1011 Matzinger Rd.
Toledo, OH 43612
Phone: 419-213-2230
Fax: 419-213-2201
www.lucascountyrecycles.org

Mission:

To develop and enhance programs which enable residents to easily recycle common household wastes as well as to assist business and industry with the implementation of waste reduction and recycling programs, with programs/services to reduce, reuse and recycle.

Services Provided:

Lucas County Recycling Drop-off

The District offers many local drop-off sites throughout Lucas County for recycling of paper, cardboard, and containers.

Household Hazardous Waste, Electronics, & Latex Paint

This service is available to all Lucas County residents and is limited to *individual households* by appointment only.

University of Toledo Business

Waste Reduction Program

419.530.8111

Assists companies in the reduction, reuse, and recycling of solid waste through cost effective engineering methods. Call for free waste and energy audit.

Wood Preservatives

* Latex Paint : \$1.00 /gallon or under container; \$5.00/ 5 gallon container
Fluorescent Bulbs: \$1.00/bulb

How do I safely transport these hazardous materials?

Leave materials in original container. Tighten caps & lids and pack containers in sturdy, upright boxes & pad with newspaper. Sort & pack separately. NEVER MIX CHEMICALS. Never smoke around or while handling hazardous materials.

* Latex paint is accepted, however, it is not hazardous and can be disposed with regular trash, if solidified. Cat litter, sand, saw dust or soil can be used to solidify latex paint. A box lined with a trash bag or partially filled paint cans can hold the solidified material. If paint cans are used, leave lid off so waste hauler can see the paint is dry.

ACCEPTED E-WASTE MATERIALS: No Cost

Please provide the *type of material* you plan to dispose and *arrange a time* for drop-off.
Call **419.213.2230** for an appointment.

EDUCATION

We're Here to Educate!

Keep Toledo/Lucas County Beautiful, Inc. (KT/LCB) is committed to helping educators prepare our future leaders with information about the environment! In addition to providing a **lending library** of information and resources, we are available for **classroom presentations** for students of all ages.

Earth Exploring Experiences Offered:

"Riley's Adventure" School-wide Puppet Show

A FREE 30 minute *school-wide* puppet show that is centered around the "Re-Ways" (reduce, reuse and recycle). Our main character, Riley, is transported to different versions of our community so he can see firsthand what will happen if we don't take care of our environment. (Must have 50+ students)

The Incredible Edible Landfill

Students build a model landfill out of pudding and pie crust. This is one landfill they won't mind eating at the end!

Litter Olympics

This is an outdoor or gymnasium activity where students play games using litter or recyclables.

Pack To Reduce

Students work in groups to determine whether or not the contents of sample lunches are reusable or recyclable. Then they make presentations about the lunches to the class. Other topics discussed are nutrition, cost, convenience, and litter.

Paper Pin Decorating

Students decorate handmade pins, made from recycled paper.

Tin Can Papermaking

Each student makes one sheet of recycled paper.

Wallpaper Bead Necklace

Each student makes a necklace out of old wallpaper samples.

Call our Education Specialist at 419.213.2252 or submit an online request at www.ktlcb.org to schedule a presentation.

ADOPT-A-ROAD/STREET

Volunteer groups and organizations are being given an opportunity to accept the responsibility for removing litter and other debris from a 2-mile section of the Lucas County roadways or streets. The purpose of this program is to instill community pride, raise public awareness and to improve the appearance of our streets throughout Lucas County.

An interested group will be responsible for cleaning a 2-mile section of roadway a minimum of four times a year for a two-year period. In return, signs will be installed on-site displaying the name of the participating organization or group. Additionally, collection bags, safety equipment, and debris disposal will be provided to each group.

For more information, call KT/LCB at 419.213.2255.

LITTER LAW

Tarp your Load!

Ohio law **REQUIRES** all loads to be covered and secured when transported on public roads.

Do your part to keep our roads safe and clean!!

Cover and secure your load.

Improperly covered and unsecured loads are subject to citation.

Persons dumping solid waste or littering the public right-of-way will be cited.

CIGARETTE LITTER PREVENTION

**Cigarette
Butts
Are LITTER
too...**

Carry a portable or pocket ashtray when smoking outside.

Encourage smokers to be aware of where their cigarette will be discarded when they light up. Whether smokers are outside public buildings, in parks, on beaches or city sidewalks, a little planning will reduce the number of butts and cigar tips that end up on the ground.

Use a proper receptacle to dispose of cigarette butts and cigar tips.

Ash receptacles are needed at the places where people must stop smoking before they proceed. These are called "transition points." Ash receptacles at transition points remind smokers to properly dispose of cigarette butts.

Don't throw butts out car windows.

Place cigarette butts and cigar tips in a car ashtray, a portable auto ashtray (which fits in the cup holder), or a container with a secure top.

Be aware of local litter ordinances.

Many communities have litter ordinances that include cigarette butt litter. These are enforceable and carry penalties.

Learning about up-coming recycling events and litter cleanups is as easy as 1-2-3!
